State Opioid Response (SOR) Needs Assessment

Applicable to: Mercy Care Complete Care and Mercy Care ACC-RBHA

Mercy Care is requesting feedback from the community to gather ideas for the Notice of Funding opportunity (NOFO) that drops in February 2024. Replying to this survey will help Mercy Care to create a proposal to AHCCCS on SOR funding for the 2024 – 2025 fiscal year. Please find the link to the survey below:

Participation in this survey is not an application for funding nor does it guarantee funding will be awarded.

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Treatment (CSAT), will be accepting applications for the fiscal year (FY) 2024 of the State Opioid Response grant program. The purpose of this program is to address the opioid overdose crisis by providing resources to states and territories for increasing access to FDA-approved medications for the treatment of opioid use disorder (MOUD), and for supporting the continuum of prevention, harm reduction, treatment, and recovery support services for opioid use disorder (OUD) and other concurrent substance use disorders. The SOR program also supports the continuum of care for stimulant misuse and use disorders, including for cocaine and methamphetamine. The SOR program aims to help reduce unmet treatment needs and opioid-related overdose deaths across America.

As always, don't hesitate to contact your Mercy Care_Clinical Operations Team via e-mail at Grants@MercyCareAZ.org with any questions or comments. You can find this [Notice](#) and all other provider notices on our Mercy Care website.
