FLU SUMMIT  
to prevent flu hospital surge

Who: Organization's leadership, decision makers and flu clinicians planning for 2020 flu season
Date: Monday, August 10, 2020
Time: 12:00-2:00 PM
Location: Web/Phone or GoTo Meeting
Registration link: https://www.surveymonkey.com/r/TAPIFluSummit

I won't spread flu to my patients or my family.

Even healthy people can get the flu, and it can be serious.
Everyone 6 months and older should get a flu vaccine. This means you.
This season, protect yourself—and those around you—by getting a flu vaccine.
