January 1 – December 31, 2026

Evidence of Coverage for 2026:

Your Medicare Health Benefits and Services and Drug coverage as a Member of Mercy Care Advantage (HMO SNP)

This document gives the details about your Medicare and AHCCCS (Medicaid) health and drug coverage from January 1 – December 31, 2026. **This is an important legal document. Keep it in a safe place.**

This document explains your benefits and rights. Use this document to understand:

- Our plan premium and cost sharing
- Our medical and drug benefits
- How to file a complaint if you're not satisfied with a service or treatment
- How to contact us
- Other protections required by Medicare law

For questions about this document, call Member Services at 602-586-1730 or 1-877-436-5288. (TTY users call 711). Hours are 8:00 a.m. – 8:00 p.m., 7 days a week. This call is free.

This plan, Mercy Care Advantage, is offered by Mercy Care (When this *Evidence of Coverage* says "we," "us," or "our," it means Mercy Care. When it says "plan" or "our plan," it means Mercy Care Advantage.

This document is available for free in Spanish, Arabic and Vietnamese. This document may be available in other formats such as large print or other alternate formats. For additional information, call Member Services at the phone numbers listed above.

Benefits, deductibles, and/or copayments/coinsurance may change on January 1, 2027.

Our formulary, pharmacy network, and/or provider network may change at any time. You'll get notice about any changes that may affect you at least 30 days in advance.

SECTION 1 Ending your membership in our plan 190

SECTION 2 When can you end your membership in our plan? 190

SECTION 3 How to end your membership in our plan 193

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan 194

SECTION 5 Mercy Care Advantage must end our plan membership in certain situations 195

CHAPTER 11: Legal notices 197

SECTION 1 Notice about governing law 197

SECTION 2 Notice about nondiscrimination 197

SECTION 3 Notice about Medicare Secondary Payer subrogation rights 197

CHAPTER 12: Definitions..... 201

CHAPTER 1: Get started as a member

SECTION 1 You're a member of Mercy Care Advantage

Section 1.1 You're enrolled in Mercy Care Advantage, which is a Medicare Special Needs Plan

You're covered by both Medicare and Medicaid:

- **Medicare** is the federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (kidney failure).
- **Medicaid** is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid coverage varies depending on the state and the type of Medicaid you have. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people also get coverage for additional services and drugs that aren't covered by Medicare.

You've chosen to get your Medicare health care and your drug coverage through our plan, Mercy Care Advantage. Our plan covers all Part A and Part B services. However, cost sharing and provider access in our plan differ from Original Medicare.

Mercy Care Advantage is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means benefits are designed for people with special health care needs. Mercy Care Advantage is designed for people who have Medicare and are entitled to help from Medicaid.

Because you get help from AHCCCS (Medicaid) with Medicare Part A and B cost sharing (deductibles, copayments, and coinsurance), you may pay nothing for your Medicare services. AHCCCS (Medicaid) also provides other benefits by covering health care services that aren't usually covered under Medicare. You'll also get Extra Help from Medicare to pay for the costs of your Medicare drugs. Mercy Care Advantage will help you manage all these benefits, so you get the health services and payment help that you're entitled to.

Mercy Care Advantage is run by a non-profit organization. Like all Medicare Advantage Plans, this Medicare Special Needs Plan is approved by Medicare. Our plan also has a contract with the Arizona Medicaid (AHCCCS) program to coordinate your Medicaid benefits. We're pleased to provide your Medicare coverage, including drug coverage.

Section 1.2 Legal information about the *Evidence of Coverage*

This *Evidence of* Coverage is part of our contract with you about how Mercy Care Advantage covers your care. Other parts of this contract include your enrollment form, the List of Covered Drugs (formulary), and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called riders or amendments.

The contract is in effect for the months you're enrolled in Mercy Care Advantage between January 1, 2026, and December 31, 2026.

Medicare allows us to make changes to our plans we offer each calendar year. This means we can change the costs and benefits of Mercy Care Advantage after December 31, 2026. We can also choose to stop offering our plan in your service area, after December 31, 2026.

Medicare (the Centers for Medicare & Medicaid Services) and AHCCCS (Medicaid) must approve Mercy Care Advantage. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare and AHCCCS (Medicaid) renews approval of our plan.

SECTION 2 Plan eligibility requirements

Section 2.1 Eligibility requirements

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B
- You live in our geographic service area (described in Section 2.3). People who are incarcerated aren't considered to be living in the geographic service area even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States
- You meet the special eligibility requirements described below.

Special eligibility requirements for our plan

Our plan is designed to meet the needs of people who get certain Medicaid benefits. (Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.) To be eligible for our plan you must be eligible for both Medicare and AHCCCS(Medicaid).

Note: If you lose your eligibility but can reasonably be expected to regain eligibility within two-month(s), then you're still eligible for membership. Chapter 4, Section 2.1 tells you about coverage and cost sharing during a period of deemed continued eligibility.

Section 2.2 Medicaid

Medicaid is a joint federal and state government program that helps with medical and long-term care costs for certain people who have limited incomes and resources. Each state decides what counts as income and resources, who's eligible, what services are covered, and the cost for services. States also can decide how to run its program as long as they follow the federal guidelines.

In addition, Medicaid offers programs to help people pay their Medicare costs, such as their Medicare premiums. These Medicare Savings Programs help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB Plus):** An individual who is a Full Benefit Dual Eligible Member entitled to Medicare, meets the Federal income standard of equal to or less than 100 percent of the Federal Poverty Level (FPL), and is determined eligible for full AHCCCS benefits. For a QMB Plus Full Benefit Dual Eligible Member, AHCCCS shall provide payment of the applicable Medicare Part A premium, the applicable Medicare Part B premium, Medicare coinsurance amounts, and Medicare deductibles for Medicare covered services.

- **Full Benefit Dual Eligible Member:** A member who is enrolled with an AHCCCS Contractor for full Medicaid services (AHCCCS benefits) and who is also receiving both Medicare Part A and Part B services. These individuals are considered to be Full Benefit Dual Eligible Members, and include Qualified Medicare Beneficiary Plus (QMB Plus), and Other Full Benefit Dual Eligible (Other FBDE-AHCCCS Freedom to Work) populations. A Full Benefit Dual Eligible Member does not include those individuals enrolled with AHCCCS in the following population categories only through a Medicare Savings Program population (and receive from AHCCCS only Medicare cost sharing assistance): Qualified Medicare Beneficiary Only (QMB Only), Specified Low-Income Medicare Beneficiary Only (SLMB Only) or Qualified Individual-1 (QI-1).

- **Other Full Benefit Dual Eligible Member:** An individual who is entitled to Medicare, does not meet either QMB Plus or SMB Plus categorical income criteria, but is determined eligible for full AHCCCS benefits (Freedom to Work Member). For an Other Full Benefit Dual Eligible Member, AHCCCS does not provide payment for either Medicare Part A or Part B premiums.

Section 2.3 Plan service area for Mercy Care Advantage

Mercy Care Advantage is only available to people who live in our plan service area. To stay a member of our plan, you must continue to live in our plan service area. The service area is described below.

AHCCCS Complete Care (ACC) Enrollees	Arizona Department of Economic Security, Division of Developmental Disabilities (DDD) Enrollees
• Gila County • Maricopa County • Pinal County	• Apache County • Cochise County • Coconino County • Gila County • Graham County • Greenlee County • La Paz County • Maricopa County • Mohave County • Navajo County • Pima County • Pinal County • Santa Cruz County • Yavapai County • Yuma County

If you plan to move to a new state, you should also contact your state's Medicaid office and ask how this move will affect your Medicaid benefits. Phone numbers for Medicaid are in Chapter 2, Section 6 of this document.

If you move out of our plan's service area, you can't stay a member of this plan. Call Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at **1-800-772-1213** (TTY users call **1-800-325-0778**).

Section 2.4 U.S. citizen or lawful presence

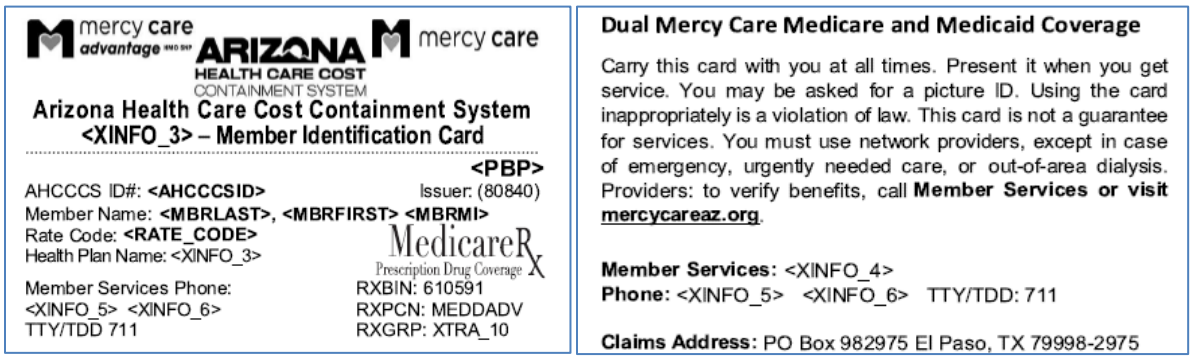
You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify

Mercy Care Advantage if you're not eligible to stay a member of our plan on this basis. Mercy Care Advantage must disenroll you if you don't meet this requirement.

SECTION 3 Important membership materials

Section 3.1 Our plan membership card

Use your membership card whenever you get services covered by our plan and for prescription drugs you get at network pharmacies. If you are enrolled in Mercy Care for your AHCCCS (Medicaid) benefits and Mercy Care Advantage for your Medicare benefits, you will only need to show your Mercy Care Advantage dual membership card when you get any covered services and prescription drugs. Our plan will coordinate your Medicare and AHCCCS (Medicaid) benefits for you. Sample membership card:



If you are enrolled in Mercy Care Advantage for your Medicare benefits but receive your AHCCCS (Medicaid) benefits from another health plan, you will have two membership cards. You will need to show your Mercy Care Advantage membership card when you receive benefits and services. You should also show the provider your AHCCCS (Medicaid) card. Here's a sample membership card to show you what yours will look like:

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your Mercy Care Advantage membership card, you may have to pay the full cost of medical services yourself. Keep your

Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials).

If our plan membership card is damaged, lost, or stolen, call Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**) right away and we'll send you a new card.

Section 3.2 Provider Directory

The Provider Directory at **mercycareaz.org/find-a-provider**, lists our current network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization, you'll have to pay in full. The only exceptions are emergencies, urgently needed services when the network isn't available (that is situations where it's unreasonable or not possible to get services in network), out-of-area dialysis services, and cases when Mercy Care Advantage authorizes use of out-of-network providers.

The most recent list of providers and suppliers is available on our website at **mercycareaz.org/find-a-provider**.

If you don't have a Provider Directory, you can ask for a copy (electronically or in paper form) from Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**). Requested paper Provider Directories will be mailed to you within 3 business days.

Section 3.3 Pharmacy Directory

The Pharmacy Directory at **mercycareaz.org/find-a-provider** lists our network pharmacies. **Network pharmacies** are pharmacies that agree to fill covered prescriptions for our plan members. Use the Pharmacy Directory to find the network pharmacy you want to use. Go to Chapter 5, Section 2.5 for information on when you can use pharmacies that aren't in our plan's network.

If you don't have a *Pharmacy Directory*, you can ask for a copy from Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**). You can also find this information on our website at **mercycareaz.org/find-a-provider**.

Section 3.4 Drug List (formulary)

Our plan has a *List of Covered Drugs (*also called the Drug List or formulary). It tells which prescription drugs are covered under the Part D benefit in Mercy Care Advantage. The drugs on this list are selected by our plan, with the help of doctors and pharmacists. The Drug List must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your Drug List unless they have been removed and replaced as described in Chapter 5, Section 6. Medicare approved the Mercy Care Advantage Drug List.

The Drug List also tells if there are any rules that restrict coverage for a drug.

We'll give you a copy of the Drug List. To get the most complete and current information about which drugs are covered, visit **mercycareaz.org/advantage/materials-forms.html#0** or call Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**).

SECTION 4 Your monthly costs for Mercy Care Advantage

	Your Costs in 2026
Monthly plan premium* * Your premium can be higher than this amount. Go to Section 4.1 for details.	**$0**
Maximum out-of-pocket amount This is the <u>most</u> you'll pay out-of-pocket for covered Part A and Part B services. (Go to Chapter 4 Section 1 for details.)	**$9,250** **If you are eligible for Medicare cost-sharing help under Medicaid, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.**
Primary care office visits	**Primary care visits: 0% or 20% of the cost per visit** **If you are eligible for Medicare cost-sharing help under AHCCCS (Medicaid), you pay $0 per visit.**

	Your Costs in 2026
Specialist office visits	**Specialist visits: 0% or 20% of the cost per visit.** **If you are eligible for Medicare cost-sharing help under Medicaid, you pay $0 per visit.**
Inpatient hospital stays	**You pay a $1736 copayment per Medicare-covered inpatient hospital admission or stay.** **If you are eligible for Medicare cost-sharing help under Medicaid, you pay $0.** These are 2025 cost-sharing amount and may change for 2026. Mercy Care Advantage will provide updated rates as soon as they're released.
Part D drug coverage deductible (Go to Chapter 6 Section 4 for details.)	**$0**
Part D drug coverage (Go to Chapter 6 for details, including Yearly Deductible, Initial Coverage, and Catastrophic Coverage Stages.)	**Copayments during the Initial Coverage Stage:** **Drug Tier 1:** • **Generic drugs:** **$0, $1.60, $5.10** • **All other drugs:** **$0, $4.90, $12.65** **Catastrophic Coverage:** **During this payment stage, the plan pays full cost for your covered Part D drugs. You pay nothing.**

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Part D Late Enrollment Penalty (Section 4.3)
- Income Related Monthly Adjusted Amount (Section 4.4)
- Medicare Prescription Payment Plan Amount (Section 4.5)

Section 4.1 Plan premium

You do not pay a separate monthly plan premium for Mercy Care Advantage.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in Section 2 above to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most Mercy Care Advantage members, Medicaid pays for your Part A premium (if you don't qualify for it automatically) and Part B premium.

If Medicaid isn't paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. This includes your premium for Part B. You may also pay a premium for Part A if you aren't eligible for premium-free Part A.

Section 4.3 Part D Late Enrollment Penalty

Because you're dually-eligible, the LEP doesn't apply as long as you maintain your dually-eligible status, but if you lose your dually-eligible status, you may incur an LEP. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there was a period of 63 days or more in a row when you didn't have Part D or other creditable drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You'll have to pay this penalty for as long as you have Part D coverage.

You **don't** have to pay the Part D late enrollment penalty if:

- You get Extra Help from Medicare to help pay your drug costs.
- You went less than 63 days in a row without creditable coverage.

- You had creditable drug coverage through another source (like a former employer, union, TRICARE, or Veterans Health Administration (VA)). Your insurer or human resources department will tell you each year if your drug coverage is creditable coverage. You may get this information in a letter or a newsletter from that plan. Keep this information, because you may need it if you join a Medicare drug plan later.

    - **Note:** Any letter or notice must state that you had creditable prescription drug coverage that's expected to pay as much as Medicare's standard drug plan pays.
    - **Note:** Prescription drug discount cards, free clinics, and drug discount websites aren't creditable prescription drug coverage.

Medicare determines the amount of the Part D late enrollment penalty. Here's how it works:

- First, count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months you did not have creditable drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty percentage will be 14%.
- Then Medicare determines the amount of the average monthly plan premium for Medicare drug plans in the nation from the previous year (national base beneficiary premium). For 2025 this average premium amount was $36.78. This amount may change for 2026.
- To calculate your monthly penalty, multiply the penalty percentage by the national base beneficiary premium and round to the nearest 10 cents. In the example here, it would be 14% times $36.78, which equals $5.149. This rounds to $5.15. This amount would be added **to the monthly plan premium for someone with a Part D late enrollment penalty**. This amount may change for 2026.

Three important things to know about the monthly Part D late enrollment penalty:

- **The penalty may change each year,** because the national base beneficiary premium can change each year.
- **You'll continue to pay a penalty** every month for as long as you're enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- If you're *under* 65 and enrolled in Medicare, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review. Generally, you must ask for this review **within 60 days** from the date on the first letter you get stating you have to pay a late enrollment penalty. However, if you were paying a penalty before you joined our plan, you may not have another chance to ask for a review of that late enrollment penalty.

Section 4.4 Income Related Monthly Adjustment Amount

If you lose eligibility for this plan because of changes income, some members may be required to pay an extra charge for their Medicare plan, known as the Part D Income Related Monthly Adjustment Amount (IRMAA). The extra charge is calculated using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit **www.Medicare.gov/health-drug-plans/part-d/basics/costs**.

If you have to pay an extra IRMAA, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay our plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you'll get a bill from Medicare. **You must pay the extra IRMAA to the government. It can't be paid with your monthly plan premium. If you don't pay the extra IRMAA, you'll be disenrolled from our plan and lose prescription drug coverage.**

If you disagree about paying an extra IRMAA, you can ask Social Security to review the decision. To find out how to do this, call Social Security at **1-800-772-1213** (TTY users call **1-800-325-0778**).

Section 4.5 Medicare Prescription Payment Plan Amount

If you're participating in the Medicare Prescription Payment Plan, each month you'll pay our plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2, Section 7 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

Find out more about Extra Help in Chapter 2, Section 7.

SECTION 5 Keep our plan membership record up to date

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage including your Primary Care Provider.

The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important to help us keep your information up to date.

If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you participate in a clinical research study (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so.)

If any of this information changes, let us know by calling Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at **1-800-772-1213** (TTY users call **1-800-325-0778**).

SECTION 6 How other insurance works with our plan

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read this information carefully. If it's correct, you don't need to do anything. If the information isn't correct, or if you have other coverage that's not listed, call Member Services at **602-586-1730** or **1-877-436-5288**. (TTY users call **711**). You may need to give our plan

member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first (the "primary payer") pays up to the limits of its coverage. The insurance that pays second, (the "secondary payer") only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
    - If you're under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
    - If you're over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare and/or employer group health plans have paid.

CHAPTER 2:
Phone numbers and resources

SECTION 1 Mercy Care Advantage contacts

For help with claims, billing, or member card questions, call or write to Mercy Care Advantage Member Services. We'll be happy to help you.

Member Services – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week. Member Services also has free language interpreter services available for non-English speakers.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**602-351-2313**
Write	Mercy Care Advantage 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycareaz.org**

How to ask for a coverage decision or appeal about your medical care

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or Part D drugs. An appeal is a formal way of asking us to review and change a coverage decision. For more information on how to ask for coverage decisions or appeals about your medical care or Part D drugs, go to Chapter 9.

Coverage Decisions for Medical Care – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to these numbers are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**602-351-2313**
Write	Mercy Care Advantage 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycaraz.org**

Appeals for Medical Care – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to these numbers are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**602-351-2300**
Write	Mercy Care Advantage Attn: Grievance Department Pharmacy Department 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycaraz.org**

Coverage Decisions for Part D drugs – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to these numbers are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**1-855-230-5544**
Write	Mercy Care Advantage Attn: Part D Coverage Determination Pharmacy Department 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycaraz.org**

Appeals for Part D drugs – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to these numbers are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**1-855-230-5544**
Write	Mercy Care Advantage Attn: Part D Appeals Pharmacy Department 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycaraz.org**

How to make a complaint about your medical care

You can make a complaint about us or one of our network providers or pharmacies, including a complaint about the quality of your care. This type of complaint doesn't involve coverage or payment disputes. For more information on how to make a complaint about your medical care, go to Chapter 9.

Complaints about Medical Care – Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**602-351-2300**
Write	Mercy Care Advantage Attn: Grievances and Appeals 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040 MCA-GA
Medicare website	You can submit a complaint about Mercy Care Advantage directly to Medicare. To submit an online complaint to Medicare, go to **www.medicare.gov/MedicareComplaintForm/home.aspx**.

How to ask us to pay our share of the cost for medical care or a drug you got

If you got a bill or paid for services (like a provider bill) you think we should pay for, you may need to ask us for reimbursement or to pay the provider bill. Go to Chapter 7 for more information. You should not pay for covered services or medicines covered under your AHCCCS (Medicaid) plan. If you do, we cannot pay you back. Please contact Member Services at the number listed at the beginning of this section for more information.

If you send us a payment request and we deny any part of your request, you can appeal our decision. Go to Chapter 9 for more information.

Payment Requests for Medical Services– Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**1-844-910-1530**
Write	Mercy Care Advantage Attn: Enrollment Dept. 4750 S. 44th Place, Suite 150 Phoenix, AZ 85040
Website	**mercycareaz.org**

Payment Requests for Part D drugs– Contact Information	
Call	**602-586-1730** or **1-877-436-5288** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
TTY	**711** Calls to this number are free. 8:00 a.m. – 8:00 p.m., 7 days a week.
Fax	**480-314-6844**
Write	Aetna Pharmacy Management PB Box 52066 Phoenix, AZ 85072-2066
Website	**mercycareaz.org**

SECTION 2 Get help from Medicare

Medicare is the federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (CMS). This agency contracts with Medicare Advantage organizations including our plan.

Medicare – Contact Information	
Call	**1-800-MEDICARE** (**1-800-633-4227**) Calls to this number are free. 24 hours a day, 7 days a week.
TTY	**1-877-486-2048** This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number are free.
Chat Live	Chat live at **www.Medicare.gov/talk-to-someone**.
Write	Write to Medicare at PO Box 1270, Lawrence, KS 66044
Website	**www.Medicare.gov** • Get information about the Medicare health and drug plans in your area, including what they cost and what services they provide. • Find Medicare-participating doctors or other health care providers and suppliers. • Find out what Medicare covers, including preventive services (like • screenings, shots or vaccines, and yearly “Wellness” visits). • Get Medicare appeals information and forms. • Get information about the quality of care provided by plans, nursing homes, hospitals, doctors, home health agencies, dialysis facilities, hospice centers, inpatient rehabilitation facilities, and long-term care hospitals. • Look up helpful websites and phone numbers. You can also visit **www.Medicare.gov** to tell Medicare about any complaints you have about Mercy Care Advantage. **To submit a complaint to Medicare,** go to **www.Medicare.gov/my/medicare-complaint**. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In Arizona, the SHIP is called Department of Economic Security, Division of Aging and Adult Services.

Department of Economic Security, Division of Aging and Adult Services is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

Department of Economic Security, Division of Aging and Adult Services counselors can help you understand your Medicare rights, make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. Department of Economic Security, Division of Aging and Adult Services counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices, and answer questions about switching plans.

Department of Economic Security, Division of Aging and Adult Services (Arizona SHIP) – Contact Information	
Call	**602-542-4446** or **1-800-432-4040**
TTY	**711** or **1-800-367-8939**
Write	Department of Economic Security (DES) Division of Aging and Adult Services 1789 W. Jefferson St. Phoenix, AZ 85007
Website	**https://des.az.gov**

SECTION 4 Quality Improvement Organization (QIO)

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. For Arizona, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It's not connected with our plan.

Contact Livanta in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending too soon.

Livanta (Arizona's Quality Improvement Organization) – Contact Information	
Call	**1-877-588-1123** 9:00 a.m. – 5:00 p.m., Monday – Friday. 24 hour voicemail service is available.
TTY	**1-855-887-6668** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
Write	Livanta LLC BFCC-QIO 10820 Guilford Road, Suite 202 Annapolis Junction, MD 20701-1105
Website	**www.livantaqio.com**

SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment. Social Security is also responsible for determining who has to pay an extra amount for Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount, or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, contact Social Security to let them know.

Social Security– Contact Information	
Call	**1-800-772-1213** Calls to this number are free. Available 8 am to 7 pm, Monday through Friday. Use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.

TTY	**1-800-325-0778** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Available 8 am to 7 pm, Monday through Friday.
Website	**www.SSA.gov**

SECTION 6 Medicaid

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. In Arizona, the Medicaid program is called the Arizona Health Care Cost Containment System (AHCCCS). Mercy Care Advantage is a plan for people who are dually enrolled in both Medicare and AHCCCS (Medicaid).

This booklet explains the benefits and services provided through Mercy Care Advantage. Mercy Care Advantage is an HMO SNP with a Medicare Advantage contract to provide Medicare covered services to Medicare beneficiaries who enroll in its plan. Mercy Care Advantage covers all Medicare covered services, as well as some benefits and services not covered by Original Medicare (such as preventive and comprehensive dental services, routine vision and hearing exams and more). Because Medicare provides the primary coverage (Medicaid is secondary), you will get most of your medical care through Mercy Care Advantage.

As the secondary coverage provider, AHCCCS (Medicaid) may provide additional benefits not covered by Medicare Advantage plans. Mercy Care Advantage will help you coordinate AHCCCS (Medicaid) covered services if you are enrolled in Mercy Care for your AHCCCS (Medicaid) benefits. Members enrolled with another health plan for their AHCCCS (Medicaid) benefits will need to contact that plan.

If you have questions about the help you get from Medicaid, contact AHCCCS (Medicaid) at **602-417-4000** or **1-800-654-8713**, 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).

In addition, there are programs offered through AHCCCS (Medicaid) that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB Plus):** An individual who is a Full Benefit Dual Eligible Member entitled to Medicare, meets the Federal income standard of equal to or less than 100 percent of the Federal Poverty Level (FPL), and is determined eligible for full AHCCCS benefits. For a QMB Plus Full Benefit Dual Eligible Member, AHCCCS

shall provide payment of the applicable Medicare Part A premium, the applicable Medicare Part B premium, Medicare coinsurance amounts, and Medicare deductibles for Medicare covered services.

- **Full Benefit Dual Eligible Member:** A member who is enrolled with an AHCCCS Contractor for full Medicaid services (AHCCCS benefits) and who is also receiving both Medicare Part A and Part B services. These individuals are considered to be Full Benefit Dual Eligible Members, and include Qualified Medicare Beneficiary Plus (QMB Plus), and Other Full Benefit Dual Eligible (Other FBDE-AHCCCS Freedom to Work) populations. A Full Benefit Dual Eligible Member does not include those individuals enrolled with AHCCCS in the following population categories only through a Medicare Savings Program population (and receive from AHCCCS only Medicare cost sharing assistance): Qualified Medicare Beneficiary Only (QMB Only), Specified Low-Income Medicare Beneficiary Only (SLMB Only) or Qualified Individual-1 (QI-1).

- **Other Full Benefit Dual Eligible Member:** An individual who is entitled to Medicare, does not meet either QMB Plus or SMB Plus categorical income criteria, but is determined eligible for full AHCCCS benefits (Freedom to Work Member). For an Other Full Benefit Dual Eligible Member, AHCCCS does not provide payment for either Medicare Part A or Part B premiums.

Arizona Health Care Cost Containment System (AHCCCS) – Contact Information	
Call	**602-417-4000** or **1-800-654-8713** 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).
TTY	**1-800-842-6520** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
Write	AHCCCS Administration 801 E. Jefferson St. Phoenix, AZ 85034
Website	**www.azahcccs.gov**

The Arizona's Ombudsman – Citizen's Aide helps people enrolled in Medicaid with service or billing problems. They can help you file a grievance or appeal with our plan.

Arizona's Ombudsman – Citizen's Aide – Contact Information	
Call	**602-277-7292** or **1-800-872-2879** 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).
Write	**www.azoca.gov**
Website	**602-277-7292** or **1-800-872-2879** 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).

The Arizona Division of Aging and Adult Services – Office of the State Long Term Care Ombudsman helps people get information about nursing homes and resolve problems between nursing homes and residents or their families.

Arizona Division of Aging and Adult Services – Office of the State Long Term Care Ombudsman – Contact Information	
Call	**602-542-6454** 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).
Write	**https://des.az.gov/services/older-adults/long-term-care-ombudsman**
Website	**602-542-6454** 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).

SECTION 7 Programs to help people pay for prescription drugs

The Medicare website (**www.Medicare.gov/basics/costs/help/drug-costs**) has information on ways to lower your prescription drug costs. The programs below can help people with limited incomes.

Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and get Extra Help from Medicare to pay for your prescription drug plan costs. You don't need to do anything further to get this Extra Help.

If you have questions about Extra Help, call:

- **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**;
- The Social Security Office at **1-800-772-1213**, between 8 am and 7 pm, Monday through Friday. TTY users call **1-800-325-0778**; or
- Your State Medicaid Office at **602-417-4000** or **1-800-654-8713**.

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of your proper copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

We are required to accept the following documents as best available evidence to confirm the appropriate low-income subsidy level information for Mercy Care Advantage enrollees. These documents can be provided by the enrollee, a pharmacist, advocate, representative, family member or other individual acting on behalf of the enrollee and can be received by mail or fax. If you feel you are eligible for low income subsidy but cannot provide any form of best available evidence documentation described below and need assistance in obtaining best available evidence, please contact Member Services at the number on your ID card. Our enrollment services unit will coordinate with Medicare to confirm your low income eligibility level so we can update our records.

If you have one of the documents below, please fax or mail the information to Mercy Care Advantage at:

Mercy Care Advantage
Attn: Enrollment
4750 S. 44th Place, Suite, 150
Phoenix, AZ 85040
Fax: **1-844-910-1530**

Any document submitted must show eligibility for Medicaid during a month after June of the previous calendar year:

1. A copy of the beneficiary's Medicaid card that includes the beneficiary's name and an eligibility date during a month after June of the previous calendar year;
2. A copy of a state document that confirms active Medicaid status during a month after June of the previous calendar year;
3. A print out from the State electronic enrollment file showing Medicaid status during a month after June of the previous calendar year;
4. A screen print from the State's Medicaid systems showing Medicaid status during a month after June of the previous calendar year;
5. Other documentation provided by the State showing Medicaid status during a month after June of the previous calendar year:

6. For individuals who are not deemed eligible, but who apply and are found LIS eligible, a copy of the SSA award letter.

We will accept any one of the following forms of evidence from the beneficiaries or pharmacists to establish that a beneficiary is institutionalized and qualifies for zero cost sharing:

1. A remittance from the facility showing Medicaid payment for a full calendar month for that individual during a month after June of the previous calendar year:
2. A copy of a state document that confirms Medicaid payment on behalf of the individual to the facility for a full calendar month after June of the previous calendar year; or
3. A screen print from the State's Medicaid systems showing that individual's institutional status based on a at least a full calendar month stay for Medicaid payment purposes during a month after June of the previous calendar year.

When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back, either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call 711) if you have questions.

What if you have Extra Help and coverage from a State Pharmaceutical Assistance Program (SPAP)?

Many states offer help paying for prescriptions, drug plan premiums and/or other drug costs. If you're enrolled in a State Pharmaceutical Assistance Program (SPAP), Medicare's Extra Help pays first.

What if you have Extra Help and coverage from an AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps people living with HIV/AIDS access life-saving HIV medications. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the Arizona ADAP. For a list of covered drugs, contact Arizona ADAP at Arizona Department of Health Services, 150 N. 18th Ave., Phoenix, AZ, 85007. Telephone: **602-364-3610** or **1-800-334-1540**. **https://adap.directory/arizona**.

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of state residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment

worker so you can continue to get help. For information on eligibility criteria, covered drugs, or how to enroll in the program, call **602-364-3610** or **1-800-334-1540**.

Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across **the calendar year** (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.** Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. To learn more about this payment option, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) or visit **www.Medicare.gov**.

Medicare Prescription Payment Plan – Contact Information	
Call	**1-844-843-6264** Calls to this number are free. 24 hours a day, 7 days a week. Member Services also has free language interpreter services available for non-English speakers.
TTY	**711** Calls to this number are free, 24 hours a day, 7 days a week.
Write	Mercy Care Advantage H5580 Medicare Prescription Payment Plan P.O. Box 7 Pittsburgh, PA 15230
Website	**https://www.mercycareaz.org/advantage/part-d.html**

SECTION 8 Railroad Retirement Board (RRB)

The Railroad Retirement Board is an independent federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you get Medicare through the Railroad Retirement Board, let them know if you move or change your mailing address. For questions about your benefits from the Railroad Retirement Board, contact the agency.

Railroad Retirement Board (RRB) – Contact Information	
Call	**1-877-772-5772** Calls to this number are free. Press "0" to speak with an RRB representative from 9 am to 3:30 pm, Monday, Tuesday, Thursday, and Friday, and from 9 am to 12 pm on Wednesday. Press "1" to access the automated RRB HelpLine and get recorded information 24 hours a day, including weekends and holidays.
TTY	**1-312-751-4701** This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number aren't free.
Website	**https://RRB.gov**

SECTION 9 If you have group insurance or other health insurance from an employer

If you (or your spouse or domestic partner) get benefits from your (or your spouse or domestic partner's) employer or retiree group as part of this plan, call the employer/union benefits administrator or Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) with any questions. You can ask about your (or your spouse or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Member Services are printed on the back cover of this document.) You can call **1-800-MEDICARE** (**1-800-633-4227**) with questions about your Medicare coverage under this plan. TTY users call **1-877-486-2048**.

If you have other drug coverage through your (or your spouse or domestic partner's) employer or retiree group, contact **that group's benefits administrator.** The benefits administrator can help you understand how your current drug coverage will work with our plan.

SECTION 10 Get help from Area Agencies on Aging

Area Agency on Aging (AAA) is a public or private non-profit agency, designated by the state to address the needs and concerns of all older persons at the regional and local levels. They offer services within the state of Arizona. For more information call **1-888-264-2258** or visit their website at **http://www.aaaphx.org**.

CHAPTER 3:
Using our plan for your medical and other covered services

SECTION 1 How to get medical care and other services as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care and other services covered. For details on what medical care and other services our plan covers and how much you pay when you get care, go to the Medical Benefits Chart in Chapter 4.

Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term "providers" also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for covered services.
- **Covered services** include all the medical care, health care services, supplies, equipment, and prescription drugs that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for your medical care and other services to be covered by our plan

As a Medicare health plan, Mercy Care Advantage must cover all services covered by Original Medicare and may offer other services in addition to those covered under Original Medicare Chapter 4, section 2.

Mercy Care Advantage will generally cover your medical care as long as:

- **The care you get is included in our plan's Medical Benefits Chart** in Chapter 4.

- **The care you get is considered medically necessary**. Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You have a network primary care provider (a PCP) providing and overseeing your care.** As a member of our plan, you must choose a network PCP (go to Section 2.1 for more information).
    - In most situations, your network PCP must give you approval in advance (a referral) before you can use other providers in our plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. For more information, go to Section 2.3.
    - You don't need referrals from your PCP for emergency care or urgently needed services. To learn about other kinds of care you can get without getting approval in advance from your PCP, go to Section 2.2.
- **You must get your care from a network provider** (see Section 2). In most cases, care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. This means that you have to pay the provider in full for services you get. Here are 3 exceptions:
    - Our plan covers emergency care or urgently needed services you get from an out-of-network provider. For more information, and to see what emergency or urgently needed services are, go to Section 3.
    - If you need medical care that Medicare or Medicaid requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. In this situation, we'll cover these services as if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, go to Section 2.4.
    - Our plan covers kidney dialysis services you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay our plan for dialysis can never be higher than the cost sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider outside our plan's network, your cost sharing can't be higher than the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from a provider outside our plan's network, your cost sharing for the dialysis may be higher.

SECTION 2 Use providers in our plan's network to get medical care and other services

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your care

What is a PCP and what does the PCP do for you?

- **What is a PCP and what does the PCP do for you?**

  When you become a member of Mercy Care Advantage, you must choose a plan provider to be your PCP. Your PCP is a physician or health care professional who meets state requirements and is trained to give you basic medical care. As we explain below, you will get routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. For example, if you need to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist).

- **What types of providers may act as a PCP?**

  Mercy Care Advantage considers the following provider categories as PCPs: Family Practice, General Practice, and Internal Medicine.

- **What is the role of the PCP in coordinating covered services?**

  Coordinating your covered services includes checking or consulting with other plan providers about your care and how it is going. If you need certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral to see a specialist).

- **What is the role of the PCP in making decisions about or obtaining prior authorization, if applicable?**

  Your PCP makes decisions regarding your health care. In some situations, your PCP will need to get prior authorization (prior approval) from Mercy Care Advantage. Since your PCP will be responsible to provide and coordinate your medical care, you should have your past medical records sent to your PCP's office if you are a new patient.

How to choose a PCP

If you did not select a PCP at the time of enrollment, we will assign you a PCP near where you live. You may change your PCP at any time by calling Member Services. You can choose another PCP by using our online Provider or Pharmacy Directory search tool available on our website at **mercycareaz.org** or by calling Member Services for assistance.

How to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP might leave our plan's network of providers, and you'd need to choose a new PCP.

If you want to change your PCP or you are notified that your PCP is leaving our network, you can contact our Member Services department for assistance in locating and changing to a new PCP in your area. When you call, tell Member Services if you are seeing specialists or getting other covered services that needed your PCP's approval (such as home health services and/or durable medical equipment).

Member Services will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will check that the PCP you want is accepting new patients. Your PCP change will be effective on the day you make the request to Member Services.

Mercy Care has a Member Transition policy. We coordinate with Medicare and AHCCCS (Medicaid) to provide timely notification and continuity of care to members when a provider decides to leave our plan's network. Our transition process helps to manage and transition your ongoing health care needs to another network provider. For more information about our Member Transition policy please contact Member Services at the number on your member ID card.

Section 2.2 Medical care and other services you can get without a PCP referral

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, including breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, COVID-19 vaccines, Hepatitis B vaccines, and pneumonia vaccines as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed plan-covered services are services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area. If possible, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
- Mercy Care Advantage members do not need a referral or prior authorization to access the covered MCA supplemental dental, vision, or hearing benefits from network providers.

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer
- Cardiologists care for patients with heart conditions
- Orthopedists care for patients with certain bone, joint, or muscle conditions

When your PCP thinks that you need specialized treatment, he/she will give you a referral to see a network specialist or other provider. A referral can also be to a lab or hospital for certain outpatient services, etc. If there is a specific specialist in the Mercy Care Advantage network that you want to use, please discuss this with your PCP first so they can give you a referral or obtain prior authorization if needed.

If you are referred to a specialist for covered services and the specialist wants you to come back for more care, ask if you need a new referral from your PCP before receiving more services. If a new referral is needed, the specialist will need to contact your PCP to ask for a new referral to cover more visits.

In some situations, your PCP may need to get prior approval from Mercy Care Advantage. This is called getting "prior authorization." Your PCP office can check with the health plan to verify if a service requires prior authorization. See Chapter 4, Section 2.1 for information about which services require prior authorization. If prior authorization is required, your PCP or specialist must submit this request to the health plan for review. The request must include information to support the reason why you need the service. The request will be reviewed within the required Medicare timeframes.

You will be notified in writing of the plan's decision. If the request is denied, the notice we send you will explain your Medicare appeal rights. If you receive certain services before receiving prior authorization, neither Mercy Care Advantage or Original Medicare will pay for the services.

When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
    - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.
    - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing. Your PCP will need to obtain prior authorization form Mercy Care Advantage to send you to an out of network specialist for treatment.
- If you find out your doctor or specialist is leaving our plan, contact us so we can help you choose a new provider to manage your care.
- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 9).

Section 2.4 How to get care from out-of-network providers

If you choose to go to a provider outside of our network without a referral from your PCP or prior authorization from the plan, you must pay for these services yourself except in limited situations (for example, emergency care or for urgently needed services or dialysis services

when traveling outside of the plan service area). Neither the plan nor Original Medicare will pay for these services.

If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, the plan must arrange for you to get this care from an out-of-network provider. You or your PCP must obtain prior authorization from the plan before you receive services from an out-of-network provider. For information about getting approval to see an out-of-network provider, please talk to your PCP or contact Member Services at **602-586- 1730** or **1-877-436-5288** (TTY **711**). Representatives are available 8:00 a.m. – 8:00 p.m., 7 days a week.

SECTION 3 How to get services in an emergency, disaster, or urgent need for care

Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call our Mercy Care Advantage Member Services department at the number on the back of your ID card.

Covered services in a medical emergency

Emergency medical care received outside of the United States and its territories are not covered by Mercy Care Advantage, Original Medicare or AHCCCS (Medicaid).

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we'll try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care—thinking that your health is in serious danger—and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

However, after the doctor says it wasn't an emergency, we'll cover additional care *only* if you get the additional care in one of these 2 ways:

- You go to a network provider to get the additional care.
- The additional care you get is considered urgently needed services and you follow the rules below for getting this urgent care.

Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

To locate an Urgent Care center in your area, please use our online Provider/Pharmacy Directory search tool available on our website at **mercycareaz.org** or call our Mercy Care Advantage Member Services department at the number on the back of your ID card for assistance.

Our plan does not cover emergency services, urgently needed services, or any other services for care outside of the United States and its territories.

Section 3.3 Get care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit **mercycareaz.org** for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing. If you can't use a network pharmacy during a disaster, you may be able to fill your prescriptions at an out-of-network pharmacy. Go to Chapter 5, Section 2.5.

SECTION 4 What if you're billed directly for the full cost of covered services?

If you paid more than our plan cost sharing for covered services, or if you get a bill for the full cost of covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 7 for information about what to do.

Section 4.1 If services aren't covered by our plan

Mercy Care Advantage covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services that aren't covered by our plan, or you get services out-of-network without authorization, you're responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service.

Your AHCCCS (Medicaid) plan will cover the cost for AHCCCS (Medicaid) covered services and will pay your Medicare coinsurance, deductible and copayment amounts to your doctors. You should not pay your copayments yourself because we may not be able to reimburse you. Please refer to your AHCCCS (Medicaid) member handbook for AHCCCS (Medicaid)-covered services and cost sharing information.

You are responsible for paying the full cost of services that aren't covered by our plan or AHCCCS (Medicaid), or services that were obtained out-of-network and were not authorized and are not related to an emergency situation, or for urgently needed services or dialysis

services when traveling outside of the plan service area. It is important for you to talk to your doctor before getting any services that are not covered.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. If you reach a benefit limit and have to pay out of pocket, the costs you pay can be applied towards your plan's annual out-of-pocket maximum.

SECTION 5 Medical services in a clinical research study

Section 5.1 What is a clinical research study

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study. If you tell us that you're in a qualified clinical trial, you're only responsible for the in-network cost sharing for the services in that trial. If you paid more—for example, if you already paid the Original Medicare cost-sharing amount—we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network. (This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study that Medicare has not approved, you will be responsible for paying all costs for your participation in the study.

Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare pays its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you'll pay the same amount for services you get as part of the study as you would if you got these services from our plan. However, you must submit documentation showing how much cost sharing you paid. Go to Chapter 7 for more information on submitting requests for payments.

> *Example of cost sharing in a clinical trial:* Let's say you have a lab test that costs $100 as part of the research study. Your share of the costs for this test is $20 under Original Medicare, but the test would be $10 under our plan. In this case, Original Medicare would pay $80 for the test, and you would pay the $20 copay required under Original Medicare. You would notify our plan that you got a qualified clinical trial service and submit documentation (like a provider bill) to our plan. Our plan would then directly pay you $10. This makes your net payment for the test $10, the same amount you'd pay under our plan's benefits.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following**:

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free-of-charge for people in the trial.

Get more information about joining a clinical research study

Get more information about joining a clinical research study in the Medicare publication *Medicare and Clinical Research Studies,* available at

www.Medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf.) You can also call **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 A religious non-medical health care institution

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 How to get care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that's **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers *non-religious* aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
  - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
  - *– and –* you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

Medicare Inpatient Hospital coverage limits apply. Refer to the benefits chart in Chapter 4 for more information.

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. **As a member of Mercy Care Advantage, you usually won't get ownership of rented DME items no matter how many copayments you make for the item while a member of our plan.** You won't get ownership, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under some limited circumstances, we'll transfer ownership of the DME item to you. Call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) for more information.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count. You'll have to make 13 payments to our plan before owning the item.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive new payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

If you qualify for Medicare oxygen equipment coverage Mercy Care Advantage will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents

- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Mercy Care Advantage or no longer medically require oxygen equipment, the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for 5 years. During the first 36 months, you rent the equipment. For the remaining 24 months, the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years, you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

CHAPTER 4: Medical Benefits Chart (what's covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

The Medical Benefits Chart lists your covered services and shows how much you pay for each covered service as a member of Mercy Care Advantage. This section also gives information about medical services that aren't covered and explains limits on certain services.

Section 1.1 Out-of-pocket costs you may pay for covered services

Types of out-of-pocket costs you may pay for covered services include:

- **Copayment:** the fixed amount you pay each time you get certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart tells you more about your copayments.)
- **Coinsurance:** the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart tells you more about your coinsurance.)

Section 1.2 What's the most you'll pay for Medicare Part A and Part B covered medical services?

Note: Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum. If you're eligible for Medicare cost-sharing help under AHCCCS (Medicaid), you're not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Medicare Advantage Plans have limits on the amount you have to pay out-of-pocket each year for medical services covered under Medicare Part A and Part B. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. **For calendar year 2026 the MOOP amount is $9,250.**

The amounts you pay for copayments, and coinsurance for covered services count toward this maximum out-of-pocket amount. The amounts you pay for Part D drugs don't count toward your maximum out-of-pocket amount. If you reach the maximum out-of-pocket

amount of $9,250, you won't have to pay any out-of-pocket costs for the rest of the year for covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Providers aren't allowed to balance bill you

As a member of Mercy Care Advantage, you have an important protection because you only have to pay your cost-sharing amount when you get services covered by our plan. Providers can't bill you for additional separate charges, called **balance billing**. This protection applies even if we pay the provider less than the provider charges for a service and even if there's a dispute and we don't pay certain provider charges.

Here's how protection from balance billing works:

- If your cost sharing is a copayment (a set amount of dollars, for example, $15.00), you pay only that amount for any covered services from a network provider.
- If your cost sharing is a coinsurance (a percentage of the total charges), you never pay more than that percentage. However, your cost depends on which type of provider you see:
    - If you get covered services from a network provider, you pay the coinsurance percentage multiplied by our plan's reimbursement rate (this is set in the contract between the provider and our plan).
    - If you get covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Our plan covers services from out-of-network providers only in certain situations, such as when you get a referral or for emergencies or urgently needed services.)
    - If you get covered services from an out-of-network provider who doesn't participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Our plan covers services from out-of-network providers only in certain situations, such as when you get a referral, or for emergencies or urgently needed services outside the service area.)
- If you think a provider has balance billed you, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**).

We don't allow providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service. If you get a bill from a provider, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**).

SECTION 2 The Medical Benefits Chart shows your medical benefits and costs

The Medical Benefits Chart on the next pages lists the services Mercy Care Advantage covers and what you pay out of pocket for each service (Part D drug coverage is in Chapter 5). The services listed in the Medical Benefits Chart are covered only when these requirements are met:

- Your Medicare and AHCCCS (Medicaid) covered services must be provided according to Medicare and AHCCCS (Medicaid) coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- You get your care from a network provider. In most cases, care you get from an out-of-network provider won't be covered unless it's emergency or urgent care, or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get.
- You have a primary care provider (a PCP) providing and overseeing your care. In most situations, your PCP must give you approval in advance (a referral) before you can see other providers in our plan's network. This is called a referral.
- Some services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization). Covered services that need approval in advance are marked in the Medical Benefits Chart bold italics.
- If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider's recommendation.

Other important things to know about our coverage:

- You're covered by both Medicare and AHCCCS (Medicaid). Medicare covers health care and prescription drugs. AHCCCS (Medicaid) covers your cost sharing for Medicare services, including assistance with your Medicare Part A and B cost-sharing

(copayments and coinsurance). AHCCCS (Medicaid) also covers services Medicare doesn't cover, like long-term care, over-the-counter drugs, home and community-based services, or other Medicaid-only services.

- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at **www.medicare.gov** or ask for a copy by calling **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**.)
- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you. However, if you're also treated or monitored for an existing medical condition during the visit when you get the preventive service, a copayment will apply for the care you got for the existing medical condition.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.
- The benefits chart below describes the benefits and Medicare cost-sharing for the Mercy Care Advantage plan. Following the Mercy Care Advantage benefit chart is a chart describing the benefits and services covered by AHCCCS (Medicaid) and the level of your Medicare cost sharing based on your AHCCCS (Medicaid) eligibility.
- If you're within our plan's two-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period we won't continue to cover Medicaid benefits that are included under the applicable AHCCCS (Medicaid) State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. The amount you pay for Medicare-covered services may increase during this period.

If you're eligible for Medicare cost-sharing help under Medicaid, you don't pay anything for the services listed in the Medical Benefits Chart, as long as you meet the coverage requirements described above.

Important Benefit Information for People Who Qualify for Extra Help:

- If you get Extra Help to pay your Medicare drug coverage costs, you may be eligible for other targeted supplemental benefits and/or targeted reduced cost sharing.

Important Benefit Information for Enrollees with Chronic Conditions:

- If you're diagnosed with any of the chronic condition(s) listed below and meet certain criteria, you may be eligible for special supplemental benefits for the chronically ill.
    - Diabetes, Dementia, Heart Failure, Vascular Disease, HIV/AIDS, Dialysis Status, End Stage Liver Disease and Cancer.

- If you qualify for one of the chronic conditions, you must also qualify as a "chronically ill" member as defined by CMS regulations and our Plan's coverage criteria for SSBCI.
- For more detail, go to the *Special Supplemental Benefits for the Chronically Ill* row in the Medical Benefits Chart below.
- Contact us to find out exactly which benefits you may be eligible for.

This apple shows the preventive services in the Medical Benefits Chart.

*AHCCCS (Medicaid) may pay your deductible, coinsurance, and/or copayment, based on your level of eligibility. Refer to the AHCCCCS (Medicaid) chart starting on page 89.

Medical Benefits Chart

Covered Service	What you pay
Abdominal aortic aneurysm screening A one-time screening ultrasound for people at risk. Our plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.
Acupuncture for chronic low back pain Covered services include: Up to 12 visits in 90 days are covered under the following circumstances: For the purpose of this benefit, chronic low back pain is defined as: • Lasting 12 weeks or longer; • nonspecific, in that it has no identifiable systemic cause (i.e., not associated with metastatic, inflammatory, infectious disease, etc.); • not associated with surgery; and • not associated with pregnancy. An additional 8 sessions will be covered for patients demonstrating an improvement. No more than 20 acupuncture treatments may be administered annually. Treatment must be discontinued if the patient is not improving or is regressing.	0% or 20% of the cost for Medicare-covered Acupuncture services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.

Covered Service	What you pay
Provider Requirements: Physicians (as defined in 1861(r)(1) of the Social Security Act (the Act)) may furnish acupuncture in accordance with applicable state requirements. Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs) (as identified in 1861(aa) (5) of the Act), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have: • a master's or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, • a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia. Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations at 42 CFR §§ 410.26 and 410.27. ***Services may require prior authorization or a referral from your doctor.***	
Ambulance services Covered ambulance services, whether for an emergency or non-emergency situation, include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they're furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by our plan. If the covered ambulance services aren't for an emergency situation, it should be documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required.	0% or 20% of the cost for Medicare-covered ambulance benefits for both one-way and round trips.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.

Covered Service	What you pay
Annual wellness visit If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once every 12 months. **Note**: Your first annual wellness visit can't take place within 12 months of your *Welcome to Medicare* preventive visit. However, you don't need to have had a *Welcome to Medicare* visit to be covered for annual wellness visits after you've had Part B for 12 months.	There is no coinsurance, copayment, or deductible for the annual wellness visit.
Bone mass measurement For qualified people (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results.	There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement.
Breast cancer screening (mammograms) Covered services include: • One baseline mammogram between the ages of 35 and 39 • One screening mammogram every 12 months for women aged 40 and older • Clinical breast exams once every 24 months	There is no coinsurance, copayment, or deductible for covered screening mammograms.
Cardiac rehabilitation services Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's referral.	0% or 20% of the cost for Medicare-covered cardiac rehabilitation services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered

Covered Service	What you pay
Our plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs. ***Services may require prior authorization or a referral from your doctor.***	services as described in Section 1.2 of this Chapter.
Cardiovascular disease risk reduction visit (therapy for cardiovascular disease) We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating healthy.	There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit.
Cardiovascular disease screening tests Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).	There is no coinsurance, copayment, or deductible for cardiovascular disease testing that is covered once every 5 years.
Cervical and vaginal cancer screening Covered services include: • For all women: Pap tests and pelvic exams are covered once every 24 months • If you're at high risk of cervical or vaginal cancer or you're of childbearing age and have had an abnormal Pap test within the past 3 years: one Pap test every 12 months	There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams.
Chiropractic services Covered services include: • Manual manipulation of the spine to correct subluxation	0% or 20% of the cost for Medicare-covered Chiropractic visit.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered

Covered Service	What you pay
Medicare covered services for Manual manipulation of the spine to correct subluxation require prior authorization.	services as described in Section 1.2 of this Chapter.
Chronic pain management and treatment services Covered monthly services for people living with chronic pain (persistent or recurring pain lasting longer than 3 months). Services may include pain assessment, medication management, and care coordination and planning. ***Services may require prior authorization or a referral from your doctor.***	0% or 20% of the cost for Medicare-covered chronic pain management services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.
Colorectal cancer screening The following screening tests are covered: • Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who aren't at high risk for colorectal cancer, and once every 24 months for high-risk patients after a previous screening colonoscopy or barium enema. • Computed tomography colonography for patients 45 year and older who are not at high risk of colorectal cancer and is covered when at least 59 months have passed following the month in which the last screening computed tomography colonography was performed	There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam, excluding barium enemas, for which coinsurance applies. If your doctor finds and removes a polyp or other tissue during the colonoscopy or flexible sigmoidoscopy, the screening exam becomes a diagnostic exam and subject to 15% coinsurance of the Medicare

Covered Service	What you pay
or 47 months have passed following the month in which the last screening flexible sigmoidoscopy or screening colonoscopy was performed. For patients at high risk for colorectal cancer, payment may be made for a screening computed tomography colonography performed after at least 23 months have passed following the month in which the last screening computed tomography colonography or the last screening colonoscopy was performed. • Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient got a screening colonoscopy. Once every 48 months for high-risk patients from the last flexible sigmoidoscopy or barium enema. • Screening fecal-occult blood tests for patients 45 years and older. Once every 12 months. • Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare-covered non-invasive stool-based colorectal cancer screening test returns a positive result.	approved amount for your doctors' services. In a hospital outpatient setting, you also pay the hospital a 15% coinsurance. The Part B deductible doesn't apply. 0% or 20% of the cost for Medicare-covered barium enema.*
Dental services In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) aren't covered by Original Medicare. However, Medicare pays for dental services in a limited number of circumstances, specifically when that service is an integral part of specific treatment of a person's primary medical condition. Examples include reconstruction of the jaw after a fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams prior to organ transplantation. In addition, we cover:	$0 copay for Medicare-covered benefits.

Covered Service	What you pay
Preventive & diagnostic dental services • Cleaning (up to 1 every six months from last date of service) • Dental x-ray(s) (1 every 12 months from last date of service) • Fluoride treatment (up to 1 every 6 months from last date of service) • Oral exam (up to 1 every 6 months from last date of service)	$0 copay for preventive dental benefits ($5,000 coverage limit does not apply).
Comprehensive dental services • Fillings, root canals and **certain** crowns (restorative) • Prosthodontics services related to removable dentures Excluded: Services related to emergency dental treatment; certain prosthodontic procedures such as bridges and dental implants and the surgical preparation for these types of procedures and/or their repair; orthodontics; mouth guards; and services related to the treatment of chronic TMJ. **Note**: these services may be covered under your AHCCCS (Medicaid) benefits.	$0 copay for comprehensive dental benefits up to $5,000 plan coverage limit every calendar year.
Depression screening We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and/or referrals.	There is no coinsurance, copayment, or deductible for an annual depression screening visit.
Diabetes screening We cover this screening (includes fasting glucose tests) if you have any of these risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.	There is no coinsurance, copayment, or deductible for the Medicare-covered diabetes screening tests.

Covered Service	What you pay
You may be eligible for up to 2 diabetes screenings every 12 months following the date of your most recent diabetes screening test.	
Diabetes self-management training, diabetic services, and supplies For all people who have diabetes (insulin and non-insulin users). Covered services include: • Supplies to monitor your blood glucose: blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors. • For people with diabetes who have severe diabetic foot disease: one pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and 2 additional pairs of inserts, or one pair of depth shoes and 3 pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting. • Diabetes self-management training is covered under certain conditions. • For persons with diabetes or at risk of diabetes: Fasting plasma glucose tests and at-home blood screening kits are covered as needed. • TRUE/Trivadia® products are considered the preferred blood glucose meter, test strips, and lancets covered by Mercy Care Advantage. • FreeStyle Libre® and Dexcom® continuous glucose meters and supplies are covered and considered preferred products.	0% or 20% of the cost for Medicare-covered diabetes monitoring supplies, therapeutic shoes or inserts, self-management training.*
Durable medical equipment (DME) and related supplies (For a definition of durable medical equipment, go to Chapter 12 and Chapter 3)	0% or 20% of the cost for Medicare-covered durable medical equipment.* Your cost sharing for Medicare oxygen equipment

Covered Service	What you pay
Covered items include, but aren't limited to, wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers. We cover all medically necessary DME covered by Original Medicare. If our supplier in your area doesn't carry a particular brand or manufacturer, you can ask them if they can special order it for you.	coverage is 0% or 20% of the cost, every month. This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.
Services may require prior authorization or a referral from your doctor.	Your cost sharing won't change after you're enrolled for 36 months.
Emergency care Emergency care refers to services that are: • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse. Cost sharing for necessary emergency services you get out-of-network is the same as when you get these services in-network. Not covered outside the United States or its territories. Contact the plan for details.	0% or 20% of the cost (up to $115) for Medicare- covered emergency room visits.* If you are admitted to the hospital within 3 days, you pay $0 for the emergency room visit. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to a network hospital in order for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing

Covered Service	What you pay
	you would pay at a network hospital.
Health and wellness education programs **AllThrive 365** (f.k.a. *Foundation for Senior Living*) **Wellness Program:** Activities, classes and information are offered on the phone or at a variety of locations throughout the service area: • Fitness classes – access to fitness classes like yoga and weight training. • Smoking Cessation (Quit smoking) – with a Quit Coach. • Nutrition education – with a Registered Dietician who specializes in meal planning and weight management. Diabetes Prevention & Education – with a Diabetic Educator to learn more about prevention or managing the disease.	You pay nothing for classes provided through the network provider that administers this benefit.
Hearing services Diagnostic hearing and balance evaluations per*form*ed by your provider to determine if you need medical treatment are covered as outpatient care when you get them from a physician, audiologist, or other qualified provider. • Our plan covers one routine hearing exam (for up to 1 every calendar year) • Our plan covers fittings/evaluations for hearing aids. • Our plan pays up to $1,900 every four years for hearing aids for both ears combined.	0% or 20% of the cost for Medicare-covered diagnostic hearing exams.* $0 copay for routine hearing exam. $0 copay up to $1,900 plan coverage limit for hearing aids every four years. $0 copay for fittings/evaluations for hearing aids.
HIV screening For people who ask for an HIV screening test or are at increased risk for HIV infection, we cover:	There's no coinsurance, copayment, or deductible for members eligible for

Covered Service	What you pay
• One screening exam every 12 months. If you are pregnant, we cover: • Up to 3 screening exams during a pregnancy.	Medicare-covered preventive HIV screening.
Home health agency care Before you get home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort. Covered services include, but aren't limited to: • Part-time or intermittent skilled nursing and home health aide services (to be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week) • Physical therapy, occupational therapy, and speech therapy • Medical and social services • Medical equipment and supplies ***Services require prior authorization.***	You pay nothing.
Home infusion therapy Home infusion therapy involves the intravenous or subcutaneous administration of drugs or biologicals to a person at home. The components needed to perform home infusion include the drug (for example, antivirals, immune globulin), equipment (for example, a pump), and supplies (for example, tubing and catheters). Covered services include, but aren't limited to: • Professional services, including nursing services, furnished in accordance with our plan of care • Patient training and education not otherwise covered under the durable medical equipment benefit • Remote monitoring	0% or 20% of the cost for Medicare-covered home infusion therapy.*

Covered Service	What you pay
• Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier ***Services may require prior authorization or a referral from your doctor.***	
Hospice care You're eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You can get care from any Medicare-certified hospice program. Our plan is obligated to help you find Medicare-certified hospice programs in our plan's service area, including programs we own, control, or have a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider. Covered services include: • Drugs for symptom control and pain relief • Short-term respite care • Home care When you're admitted to a hospice, you have the right to stay in our plan; if you stay in our plan you must continue to pay plan premiums. **For hospice services and services covered by Medicare Part A or B that are related to your terminal prognosis:** Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you're in the hospice program, your hospice provider will bill Original Medicare for the services Original Medicare pays for. You'll be billed Original Medicare cost sharing. **For services covered by Medicare Part A or B not related to your terminal prognosis:** If you need non-emergency, non-urgently needed services covered under Medicare Part A or B that aren't related to your terminal prognosis, your cost for these services depends on whether you use a	When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not Mercy Care Advantage.

Covered Service	What you pay
provider in our plan's network and follow plan rules (like if there's a requirement to get prior authorization). • If you get the covered services from a network provider and follow plan rules for getting service, you pay only our plan cost-sharing amount for in-network services • If you get the covered services from an out-of-network provider, you pay the cost sharing under Original Medicare **For services covered by Mercy Care Advantage but not covered by Medicare Part A or B:** Mercy Care Advantage will continue to cover plan-covered services that aren't covered under Part A or B whether or not they're related to your terminal prognosis. You pay our plan cost-sharing amount for these services. **For drugs that may be covered by our plan's Part D benefit:** If these drugs are unrelated to your terminal hospice condition, you pay cost sharing. If they're related to your terminal hospice condition, you pay Original Medicare cost sharing. Drugs are never covered by both hospice and our plan at the same time. For more information, go to Chapter 5, Section 9.4). **Note:** If you need non-hospice care (care that's not related to your terminal prognosis), contact us to arrange the services. Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit.	
Immunizations Covered Medicare Part B services include: • Pneumonia vaccines • Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu/influenza shots (or vaccines) if medically necessary • Hepatitis B vaccines if you're at high or intermediate risk of getting Hepatitis B	There is no coinsurance, copayment, or deductible for the pneumonia, flu/influenza, Hepatitis B, and COVID-19 vaccines.

Covered Service	What you pay
• COVID-19 vaccines • Other vaccines if you're at risk and they meet Medicare Part B coverage rules We also cover most other adult vaccines under our Part D drug benefit. Go to Chapter 6, Section 8 for more information.	
Inpatient hospital care Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you're formally admitted to the hospital with a doctor's order. The day before you're discharged is your last inpatient day. Covered services include but aren't limited to: • Semi-private room (or a private room if medically necessary) • Meals including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance abuse services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we'll arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you're a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may	$0 or $1,736 copayment per Medicare-covered inpatient hospital admission or stay.*

Covered Service	What you pay
choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate.	
Inpatient hospital care (continued) If Mercy Care Advantage provides transplant services at a location outside the pattern of care for transplants in your community and you choose to get transplants at this distant location, we'll arrange or pay for appropriate lodging and transportation costs for you and a companion. The companion must be identified as the caregiver by the transplant center. The caregiver is the person who will take responsibility for assuring that the member's long term post-transplant care is provided in accordance with the transplant center guidelines, including the administration of immunosuppressant therapy, enteral or parenteral therapy and adherence to immunosuppressant precautions. This is generally a family member. • Blood - including storage and administration. Coverage of whole blood and packed red cells starts only with the fourth pint of blood you need. You must either pay the costs for the first 3 pints of blood you get in a calendar year or have the blood donated by you or someone else. All other components of blood are covered starting with the first pint. • Physician services ***Services may require prior authorization or a referral from your doctor.*** **Note:** To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you're not sure if you're an inpatient or an outpatient, ask the hospital staff. Get more information in the Medicare fact sheet Medicare Hospital Benefits. This fact sheet is available at	If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost sharing you'd pay at a network hospital.

Covered Service	What you pay
www.Medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**.	
Inpatient services in a psychiatric hospital Covered services include mental health care services that require a hospital stay. • Except in an emergency, your doctor must tell the plan that you are going to be admitted to the hospital. • 190 days lifetime limit in a psychiatric hospital. • The 190-day limit does not apply to mental health services provided in a psychiatric unit of a general hospital. • Once the 190 days of Medicare-covered inpatient behavioral health benefits in a psychiatric hospital are used, Mercy Care Arizona Long Term Care System (ALTCS) members may receive behavioral health services through Mercy Care providers. • If you have coverage through another ALTCS plan, you will need to get behavioral health service through that plan. Under ALTCS, there are no limits on the number of covered days in a psychiatric hospital. ***Services may require prior authorization or a referral from your doctor.***	$0 or $1,736 copayment per Medicare-covered inpatient hospital admission or stay.*
Inpatient stay: Covered services you get in a hospital or SNF during a non-covered inpatient stay If you've used up your inpatient benefits or if the inpatient stay isn't reasonable and necessary, we won't cover your inpatient stay. In some cases, we'll cover certain services you get while you're in the hospital or the skilled nursing facility (SNF). Covered services include, but aren't limited to: • Physician services • Diagnostic tests (like lab tests)	0% or 20% for Medicare-covered health care services.*

Covered Service	What you pay
• X-ray, radium, and isotope therapy including technician materials and services • Surgical dressings • Splints, casts, and other devices used to reduce fractures and dislocations • Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices • Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition • Physical therapy, speech therapy, and occupational therapy ***Services may require prior authorization or a referral from your doctor.***	
Meals After each discharge from a hospital stay, you are eligible to receive a shipment of 14 packaged meals. • Meal selection will be coordinated prior to discharge • Meal variety includes options that support chronic conditions • Meals will be delivered to your residence For more information about accessing this benefit, call Member Services or visit **mercycareaz.org**.	You pay nothing.
Medical nutrition therapy This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant referred by your doctor. We cover 3 hours of one-on-one counseling services during the first year you get medical nutrition therapy services	There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered medical nutrition therapy services.

Covered Service	What you pay
under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to get more hours of treatment with a physician's referral. A physician must prescribe these services and renew their referral yearly if your treatment is needed into the next calendar year.	
Medicare Diabetes Prevention Program (MDPP) **MDPP services are covered for eligible people under all Medicare health plans.** MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.	There is no coinsurance, copayment, or deductible for the MDPP benefit.
Medicare Part B drugs Our plan applies Part B prescription drug step therapy to certain covered Part B drug categories. **These drugs are covered under Part B of Original Medicare. Members of our plan get coverage for these drugs through our plan. Covered drugs include:** • Drugs that usually aren't self-administered by the patient and are injected or infused while you get physician, hospital outpatient, or ambulatory surgical center services • Insulin furnished through an item of durable medical equipment (such as a medically necessary insulin pump) • Other drugs you take using durable medical equipment (such as nebulizers) that were authorized by our plan • The Alzheimer's drug, Leqembi® (generic name lecanemab), which is administered intravenously. In addition to medication costs, you may need additional scans and tests before and/or during treatment that could add to your overall costs. Talk to your doctor	0% or 20% of the cost for Medicare Part B-chemotherapy drugs and other Part B-covered drugs.* Some Medicare Part B drugs are subject to step therapy.

Covered Service	What you pay
about what scans and tests you may need as part of your treatment. • Clotting factors you give yourself by injection if you have hemophilia • Transplant/immunosuppressive drugs: Medicare covers transplant drug therapy if Medicare paid for your organ transplant. You must have Part A at the time of the covered transplant, and you must have Part B at the time you get immunosuppressive drugs. Medicare Part D drug coverage covers immunosuppressive drugs if Part B doesn't cover them • Injectable osteoporosis drugs, if you're homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and can't self-administer the drug • Some antigens: Medicare covers antigens if a doctor prepares them and a properly instructed person (who could be you, the patient) gives them under appropriate supervision • Certain oral anti-cancer drugs: Medicare covers some oral cancer drugs you take by mouth if the same drug is available in injectable form or the drug is a prodrug (an oral form of a drug that, when ingested, breaks down into the same active ingredient found in the injectable drug) of the injectable drug. As new oral cancer drugs become available, Part B may cover them. If Part B doesn't cover them, Part D does. • Oral anti-nausea drugs: Medicare covers oral anti-nausea drugs you use as part of an anti-cancer chemotherapeutic regimen if they're administered before, at, or within 48 hours of chemotherapy or are used as a full therapeutic replacement for an intravenous anti-nausea drug • Certain oral End-Stage Renal Disease (ESRD) drugs covered under Medicare Part B • Calcimimetic and phosphate binder medications under the ESRD payment system, including the intravenous medication Parsabiv® and the oral medication Sensipar®	

Covered Service	What you pay
• Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessary and topical anesthetics • Erythropoiesis-stimulating agents: Medicare covers erythropoietin by injection if you have End-Stage Renal Disease (ESRD) or you need this drug to treat anemia related to certain other conditions such as Procrit®, Aranesp®, Zarxio®, Fulphila®, Neulasta®. • Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases • Parenteral and enteral nutrition (intravenous and tube feeding) This link will take you to a list of Part B drugs that may be subject to Step Therapy: **mercycareaz.org/advantage/part-b.html**. We also cover some vaccines under Part B and most adult vaccines under our Part D drug benefit. Chapter 5 explains our Part D drug benefit, including rules you must follow to have prescriptions covered. What you pay for Part D drugs through our plan is explained in Chapter 6. ***Services may require prior authorization or a referral from your doctor.***	
Obesity screening and therapy to promote sustained weight loss If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.	There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy.
Opioid treatment program services Members of our plan with opioid use disorder (OUD) can get coverage of services to treat OUD through an Opioid Treatment Program (OTP) which includes the following services:	0% or 20% of the cost for Part B Medicare-covered opioid use disorder treatment services. *

Covered Service	What you pay
• U.S. Food and Drug Administration (FDA)-approved opioid agonist and antagonist medication-assisted treatment (MAT) medications • Dispensing and administration of MAT medications (if applicable) • Substance use counseling • Individual and group therapy • Toxicology testing • Intake activities • Periodic assessments ***Services require prior authorization.***	
Outpatient diagnostic tests and therapeutic services and supplies Covered services include, but aren't limited to: • X-rays • Radiation (radium and isotope) therapy including technician materials and supplies • Surgical supplies, such as dressings • Splints, casts, and other devices used to reduce fractures and dislocations • Laboratory tests • Blood - including storage and administration. Coverage of whole blood and packed red cells begins only with the fourth pint of blood that you need - you must either pay the costs for the first 3 pints of blood you get in a calendar year or have the blood donated by you or someone else. All other components of blood are covered beginning with the first pint used. • Diagnostic non-laboratory tests such as CT scans, MRIs, EKGs, and PET scans when your doctor or other health care provider orders them to treat a medical problem. • Other outpatient diagnostic tests. ***Services may require prior authorization or a referral from your doctor.***	0% or 20% of the cost for Medicare-covered lab services, diagnostic procedures and tests, X- rays, radiology services or therapeutic radiology services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.

Covered Service	What you pay
Outpatient hospital observation Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged. For outpatient hospital observation services to be covered, they must meet Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another person authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests. **Note:** Unless the provider has written an order to admit you as an inpatient to the hospital, you're an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you aren't sure if you're an outpatient, ask the hospital staff. Get more information in the Medicare fact sheet Medicare Hospital Benefits. This fact sheet is available at **www.Medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf** or by calling **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**. ***Services may require prior authorization or a referral from your doctor.***	0% or 20% of the cost for Medicare-covered outpatient hospital observation services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.
Outpatient hospital services We cover medically necessary services you get in the outpatient department of a hospital for diagnosis or treatment of an illness or injury. Covered services include, but aren't limited to: • Services in an emergency department or outpatient clinic, such as observation services or outpatient surgery • Laboratory and diagnostic tests billed by the hospital	0% or 20% of the cost for Medicare-covered outpatient hospital services* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.

Covered Service	What you pay
• Mental health care, including care in a partial-hospitalization program, if a doctor certifies that inpatient treatment would be required without it • X-rays and other radiology services billed by the hospital • Medical supplies such as splints and casts • Certain drugs and biologicals you can't give yourself **Note:** Unless the provider has written an order to admit you as an inpatient to the hospital, you're an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you aren't sure if you're an outpatient, ask the hospital staff. ***Services may require prior authorization or a referral from your doctor.***	202. Mercy Care Advantage

Pulmonary rehabilitation services Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) a referral for pulmonary rehabilitation from the doctor treating the chronic respiratory disease. ***Services require prior authorization or a referral from your doctor.***	0% or 20% of the cost for Medicare-covered pulmonary rehabilitation services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered

Covered Service	What you pay
	services as described in Section 1.2 of this Chapter.
Remote access technologies **Nursing hotline**: Call the Nurse Line with your general health questions 24 hours a day, 7 days a week. It doesn't take the place of your primary care physician (PCP), so be sure to follow up later. **Telehealth:** Consult with a doctor by using secure online video via your smartphone, tablet, or computer about non-emergency conditions. • Appointments can be scheduled 24 hours a day, seven days a week. • Video consultation during the hours of 7:00 a.m. to 9:00 p.m., 7 days a week or by scheduled availability. • To receive a video consultation, you must have an Arizona address and be located within the state of Arizona at the time of the appointment. For more information about accessing these benefits, call Member Services or visit **mercycareAZ.org.**	You pay nothing.
Screening and counseling to reduce alcohol misuse We cover one alcohol misuse screening for adults (including pregnant women) who misuse alcohol but aren't alcohol dependent. If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.

Covered Service	What you pay
Screening for lung cancer with low dose computed tomography (LDCT) For qualified people, a LDCT is covered every 12 months. **Eligible members are** people age 50 – 77 who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who get an order for LDCT during a lung cancer screening counseling and shared decision-making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner. *For LDCT lung cancer screenings after the initial LDCT screening:* the members must get an order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision-making visit for later lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.	There is no coinsurance, copayment, or deductible for the Medicare-covered counseling and shared decision-making visit or for the LDCT.
Screening for Hepatitis C Virus infection We cover one Hepatitis C screening if your primary care doctor or other qualified health care provider orders one and you meet one of these conditions: • You're at high risk because you use or have used illicit injection drugs. • You had a blood transfusion before 1992. • You were born between 1945-1965. If you were born between 1945-1965 and aren't considered high risk, we pay for a screening once. If you're at high risk (for example, you've continued to use illicit injection drugs since your previous negative Hepatitis C screening test), we cover yearly screenings.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening for the Hepatitis C Virus.

Covered Service	What you pay
Screening for sexually transmitted infections (STIs) and counseling to prevent STIs We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy. We also cover up to 2 people 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit.
Services to treat kidney disease Covered services include: • Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to 6 sessions of kidney disease education services per lifetime • Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3, or when your provider for this service is temporarily unavailable or inaccessible) • Inpatient dialysis treatments (if you're admitted as an inpatient to a hospital for special care) • Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments) • Home dialysis equipment and supplies • Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply)	0% or 20% of the cost for Medicare-covered renal dialysis or kidney disease education services.* This service applies to a $283 Medicare Part B deductible for certain Medicare-covered services as described in Section 1.2 of this Chapter.

Covered Service	What you pay
Certain drugs for dialysis are covered under Medicare Part B. For information about coverage for Part B Drugs, go to **Medicare Part B drugs** in this table**.**	
Skilled nursing facility (SNF) care (For a definition of skilled nursing facility care, go to Chapter 12. Skilled nursing facilities are sometimes called SNFs.) • 100-day limit for each benefit period. • No prior hospital stay is required. • If enrolled in Arizona Long Term Care System (ALTCS), there's no limit for number of covered days Covered services include but aren't limited to: • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy and speech therapy • Drugs administered to you as part of our plan of care (this includes substances that are naturally present in the body, such as blood clotting factors.) • Blood - including storage and administration. Coverage of whole blood and packed red cells begins only with the fourth pint of blood you need - you must either pay the costs for the first 3 pints of blood you get in a calendar year or have the blood donated by you or someone else. All other components of blood are covered beginning with the first pint used. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/Practitioner services	In 2026 the Medicare cost sharing amounts for each benefit period are $0 or: You pay nothing for days 1-20 $217 coinsurance per day for days 21-100*

Covered Service	What you pay
Generally, you get SNF care from network facilities. Under certain conditions listed below, you may be able to pay in-network cost sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment. • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care) • A SNF where your spouse or domestic partner is living at the time you leave the hospital ***Services may require prior authorization or referral from your doctor.***	
Smoking and tobacco use cessation (counseling to stop smoking or tobacco use) Smoking and tobacco use cessation counseling is covered for outpatient and hospitalized patients who meet these criteria: • Use tobacco, regardless of whether they exhibit signs or symptoms of tobacco-related disease • Are competent and alert during counseling • A qualified physician or other Medicare-recognized practitioner provides counseling We cover 2 cessation attempts per year (each attempt may include a maximum of 4 intermediate or intensive sessions, with the patient getting up to 8 sessions per year.)	There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits.
Supervised Exercise Therapy (SET) SET is covered for members who have symptomatic peripheral artery disease (PAD) and a referral for PAD from the physician responsible for PAD treatment. Up to 36 sessions over a 12-week period are covered if the SET program requirements are met. The SET program must:	0% or 20% of the cost for Medicare-covered sessions.*

Covered Service	What you pay
• Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication • Be conducted in a hospital outpatient setting or a physician's office • Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms and who are trained in exercise therapy for PAD • Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider. ***Services may require prior authorization or a referral from your doctor.***	

Transportation services
Our plan covers routine transportation services up to 12-oneway trips or 6-round trips every calendar year.
You can only use this transportation service to access the following Mercy Care Advantage supplemental benefits:
• Dental
• Hearing aids
• Over-the-Counter items at select CVS Pharmacy locations
• Podiatry
• Vision
• Wellness programs
  ○ Diabetes education
  ○ Exercise
  ○ Nutrition
  ○ Smoking cessation
To provide you with better service, we encourage a 3-day advance notice for transportation requests whenever possible. If you call the same day as your appointment,
	You pay nothing.

Covered Service	What you pay
we may not be able to arrange a ride for you in time for your appointment. You may have to reschedule your appointment or have a family member or friend provide transportation.	
Urgently needed services A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or, even if you're inside our plan's service area, it's unreasonable given your time, place, and circumstances to get this service from network providers. Our plan must cover urgently needed services and only charge you in-network cost sharing. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable. Cost sharing for necessary urgently needed services furnished out-of-network is the same as for such services furnished in-network. Not covered outside the United States or its territories. Contact the plan for details.	0% or 20% (up to $40) of the cost for Medicare- covered urgently needed services visit.
Vision care Covered services include: • Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts. • For people who are at high risk for glaucoma, we cover one glaucoma screening each year. People at high risk of glaucoma include people with a family history of glaucoma, people with diabetes, African Americans	0% or 20% of the cost for Medicare-covered exams to diagnose and treat diseases and conditions of the eye, including an annual glaucoma screening for people at risk.* $0 copay for one pair of Medicare-covered eyeglasses (lenses and frames) or contact lenses after cataract surgery.*

Covered Service	What you pay
who are age 50 and older and Hispanic Americans who are 65 or older. • For people with diabetes, screening for diabetic retinopathy is covered once per year • One pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. If you have 2 separate cataract operations, you can't reserve the benefit after the first surgery and purchase 2 eyeglasses after the second surgery. • One supplemental routine eye exam every year. • $300 plan coverage limit for eye wear (contact lenses; eyeglasses (lenses and frames) every year. ***Medicare-covered services require prior authorization or a referral from your doctor.*** ***Prior authorization is not required for the supplemental vision services.***	$0 copay for up to one supplemental routine eye exam every year.*
Welcome to Medicare preventive visit Our plan covers the one-time *Welcome to Medicare* preventive visit. The visit includes a review of your health, as well as education and counseling about preventive services you need (including certain screenings and shots), and referrals for other care if needed. **Important:** We cover the *Welcome to Medicare* preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you want to schedule your *Welcome to Medicare* preventive visit.	There is no coinsurance, copayment, or deductible for the *Welcome to Medicare* preventive visit.

Arizona Health Care Cost Containment System
Medicare Advantage Special Needs Plans for Dual Eligible Members
2026 Benefits

In order for you to better understand your health care options, the following chart notes your charges for certain services under the Arizona Health Care Cost Containment System (Medicaid) as an individual who has both Medicare and Medicaid.

Your Medicare cost sharing responsibility is based on your level of Medicaid eligibility.

- Qualified Medicare Beneficiary (QMB) – $0. Your Medicare cost sharing amounts will be paid by your Medicaid Health Plan unless otherwise noted below.
- Non-QMB with Medicare Parts A and B – Your Medicare cost sharing amounts will be paid by your Medicaid Health Plan only when the benefit is also covered by Medicaid.

Home and Community Based Services	Member contribution determined by AHCCCS	Member contribution determined by AHCCCS
Adult Preventive Dental Services (4)	$0 for ages 21 and over. *Services subject to a $1,000 limit per each 12 month period beginning October 1st of each year.*	$0 for ages 21 and over. *Services subject to a $1,000 limit per each 12 month period beginning October 1st of each year.*

(1) Acute Medicaid Programs include AHCCCS Complete Care (ACC), ACC with a Regional Behavioral Health Agreement (ACC-RBHA), and the Mercy Care Department of Child Safety Comprehensive Health Plan (Mercy Care DCS CHP). Long Term Care Medicaid Programs include Elderly and/or Physically Disabled (E-PD) and the Division of Developmental Disabilities (DDD).

(2) See the AHCCCS Website for additional beneficiary cost sharing, co-payment and benefits related information.

(3) Medicare Part D co-payment amounts are the sole responsibility of the beneficiary. AHCCCS health plans cannot assist with the payment of these amounts, except for behavioral health medications for those beneficiaries determined to be Seriously Mentally Ill (SMI) utilizing allowable Non-Title XIX/XXI funding.

(4) In addition to Adult Emergency Dental Services described above.

SECTION 3 Services covered outside of Mercy Care Advantage

In the chart shown in Section 4.1, there are services that may be covered by your AHCCCS (Medicaid) plan that are not covered by Mercy Care Advantage. Please refer to your AHCCCS (Medicaid) Member Handbook for a complete description of covered and non-covered services.

SECTION 4 Services that aren't covered by Medicare

This section tells you what services are excluded by Medicare.

The chart below lists services and items that aren't covered by Medicare under any conditions or are covered by our plan, Medicare or Medicaid only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided: upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 6.3.)

Services not covered by Medicare	Covered only under specific conditions
Acupuncture	Available for people with chronic low back pain under certain circumstances
Cosmetic surgery or procedures	Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance
Custodial care Custodial care is personal care that doesn't require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing	Not covered under any condition

Services not covered by Medicare	Covered only under specific conditions
Experimental medical and surgical procedures, equipment, and medications Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community	May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan (Go to Chapter 3, Section 5 for more information on clinical research studies)
Fees charged for care by your immediate relatives or members of your household	Not covered under any condition
Full-time nursing care in your home	Not covered under any condition
Home-delivered meals	Not covered under any condition
Homemaker services include basic household help, including light housekeeping or light meal preparation.	Not covered under any condition
Naturopath services (uses natural or alternative treatments)	Not covered under any condition
Non-routine dental care	Dental care required to treat illness or injury may be covered as inpatient or outpatient care
Orthopedic shoes or supportive devices for the feet	Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with, diabetic foot disease
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television	Not covered under any condition
Private room in a hospital	Covered only when medically necessary
Reversal of sterilization procedures and or non-prescription contraceptive supplies	Not covered under any condition
Routine chiropractic care	Manual manipulation of the spine to correct a subluxation is covered
Routine dental care, such as cleanings, fillings, or dentures	Not covered under any condition

Services not covered by Medicare	Covered only under specific conditions
Routine eye examinations, eyeglasses, radial keratotomy, LASIK surgery, and other low vision aids	Not covered under any condition
Routine foot care	Some limited coverage provided according to Medicare guidelines (e.g., if you have diabetes)
Routine hearing exams, hearing aids, or exams to fit hearing aids	Not covered under any condition
Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition

CHAPTER 5: Using plan coverage for Part D drugs

How can you get information about your drug costs?

Because you're eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you're in the Extra Help program, **some information in this Evidence of Coverage about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs (also known as the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug coverage. If you don't have this insert, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) and ask for the LIS Rider.

SECTION 1 Basic rules for our plan's Part D drug coverage

Go to the Medical Benefits Chart in Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits. Contact your AHCCCS (Medicaid) plan Member Services for information on these drugs.

Our plan will generally cover your drugs as long as you follow these rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription that's valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription (Go to Section 2). Or you can fill your prescription through the plan's mail-order service.
- Your drug must be on our plan's Drug List (Go to Section 3).
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that's either approved by the FDA or supported by certain references. (Go to Section 3 for more information about a medically accepted indication.)
- Your drug may require approval from our plan based on certain criteria before we agree to cover it. (Go to Section 4 for more information)

SECTION 2 Fill your prescription at a network or through our plan's mail-order service

In most cases, your prescriptions are covered only if they're filled at our plan's network pharmacies. (Go to Section 2.5 for information about when we cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered drugs. The term "covered drugs" means all the Part D drugs on our plan's Drug List.

Section 2.1 Network pharmacies

Find a network pharmacy in your area

To find a network pharmacy, go to your Pharmacy Directory, visit our website **mercycareaz.org**, and/or call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

You may go to any of our network pharmacies.

If your pharmacy leaves the network/

If the pharmacy you use leaves our plan's network, you'll have to find a new pharmacy in the network. To find another pharmacy in your area, get help from Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) or use the Pharmacy Directory. You can also find information on our website at **mercycareaz.org**.

Specialized pharmacies

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have difficulty getting your Part D drugs in an LTC facility, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on its use. To locate a specialized pharmacy, go to your *Pharmacy Directory* at **mercycareaz.org/advantage/part-d.html** or call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

Section 2.2 Our plan's mail-order service

For certain kinds of drugs, you can use our plan's network mail-order service. Generally, the drugs provided through mail order are drugs you take on a regular basis, for a chronic or long-term medical condition. The drugs that aren't available through our plan's mail-order service are marked with an NM in our Drug List.

Our plan's mail-order service allows you to order **up to a 100-day supply**.

To get order forms and information about filling your prescriptions by mail call CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**). Or you can register online with CVS Caremark at caremark.com. Once registered, you will be able to order refills, renew your prescription(s) and check the status of your order.

Usually, a mail-order pharmacy order will be delivered to you in no more than 10 days. If the mail-order pharmacy expects the order to be delayed, they will notify you of the delay. If you need to request a rush order because of a mail-order delay, you may contact Customer Care to discuss options which may include filling at a local retail pharmacy or expediting the shipping method. Provide the representative with your ID number and prescription number(s). Contact CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**) and they will begin processing a replacement order. Calls to these numbers are free.

New prescriptions the pharmacy gets directly from your doctor's office.
The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You can ask for automatic delivery of all new prescriptions at any time by logging in to your Caremark.com account or by calling CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**).

If you get a prescription automatically by mail that you don't want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by logging in to your Caremark.com account or by calling CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**).

.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It's important to respond each time you're contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

To opt out of automatic deliveries of new prescriptions received directly from your health care provider's office, contact us by logging in to your Caremark.com account or by calling CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**).

Refills on mail-order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, contact your pharmacy 15 days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling CVS Caremark Customer Care at **1-844-843-6264** (TTY **1-800-231-4403**).

If you get a refill automatically by mail that you don't want, you may be eligible for a refund.

Section 2.3 How to get a long-term supply of drugs

Our plan offers 2 ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs at the mail-order cost-sharing amount. Your Pharmacy Directory mercycareaz.org/find-a-provider, tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) for more information.
2. You can also get maintenance drugs through our mail-order program. Go to Section 2.3 for more information.

Section 2.4 Using a pharmacy that's not in our plan's network

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We also have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. **Check first with Member Services at 602-364-3610** or **1-800-334-1540** (**TTY users call 711**) to see if there's a network pharmacy nearby.

We cover prescriptions filled at an out-of-network pharmacy only in these circumstances:

- The prescription is for a medical emergency or urgent care.
- You are unable to get a covered drug in a time of need because there are no 24-hour network pharmacies within a reasonable driving distance.
- The prescription is for a drug that is out-of-stock at an accessible network retail or mail service pharmacy (including high-cost and unique drugs).
- If you are evacuated or otherwise displaced from your home because of a federal disaster or other public health emergency declaration.
- A vaccine or drug administered in your doctor's office.
- If you are traveling outside your service area (within the United States) and run out of your medication, if you lose your medication, or if you become ill and cannot access a network pharmacy.

If you must use an out-of-network pharmacy, you'll generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Go to Chapter 7, Section 2 for information on how to ask our plan to pay you back.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

SECTION 3 Your drugs need to be on our plan's Drug List

Section 3.1 The Drug List tells which Part D drugs are covered

Our plan has a List of Covered Drugs (formulary). In this Evidence of Coverage, **we call it the Drug List.**

The drugs on this list are selected by our plan with the help of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The Drug List only shows drugs covered under Medicare Part D. In addition to the drugs covered by Medicare, some prescription drugs are covered under your AHCCCS (Medicaid)

benefits. Contact your AHCCCS (Medicaid) plan Member Services for information on these drugs.

We generally cover a drug on our plan's Drug List as long as you follow the other coverage rules explained in this chapter and use of the drug for a medically accepted indication. A medically accepted indication is a use of the drug that's *either*:

- Approved by the FDA for the diagnosis or condition for which it's prescribed, or
- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

The Drug List includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On the Drug List, when we refer to drugs, this could mean a drug or a biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as the brand name or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Go to Chapter 12 for definitions of types of drugs that may be on the Drug List.

Drugs that aren't on the Drug List

In addition to the drugs covered by Medicare, some prescription drugs are covered for you under your AHCCCS (Medicaid) benefits. These additional drugs are not on the Mercy Care Advantage drug list. Contact your AHCCCS (Medicaid) plan Member Services for information on these drugs. Our plan doesn't cover all prescription drugs.

- In some cases, the law doesn't allow any Medicare plan to cover certain types of drugs. (For more information, go to Section 7.)
- In other cases, we decided not to include a particular drug on the Drug List.
- In some cases, you may be able to get a drug that isn't on our Drug List. (For more information, go to Chapter 9.)

Section 3.2 How to find out if a specific drug is on the Drug List

To find out if a drug is on our Drug List, you have these options:

- Check the most recent Drug List we provided electronically.
- Visit our plan's website at **mercycareaz.org**. The Drug List on the website is always the most current.
- Call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) to find out if a particular drug is on our plan's Drug List or ask for a copy of the list.
- Use our plan's "Real-Time Benefit Tool" at **Caremark.com** to search for drugs on the Drug List to get an estimate of what you'll pay and see if there are alternative drugs on the Drug List that could treat the same condition. You can also call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

SECTION 4 Drugs with restrictions on coverage

Section 4.1 Why some drugs have restrictions

For certain prescription drugs, special rules restrict how and when our plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective way. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option.

Note that sometimes a drug may appear more than once in our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for example, 10 mg versus 100 mg; one per day versus 2 per day; tablet versus liquid).

Section 4.2 Types of restrictions

If there's a restriction for your drug, it usually means that you or your provider have to take extra steps for us to cover the drug. Call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) to learn what you or your provider can do to get coverage for the drug. **If you want us to waive the restriction for you, you need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (Go to Chapter 9.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan based on specific criteria before we agree to cover the drug for you. This is called **prior authorization**. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get this approval, your drug might not be covered by our plan. Our plan's prior authorization criteria can be obtained by calling Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) or on our website at **mercycareaz.org/advantage/materials-forms.html#0**.

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before our plan covers another drug. For example, if Drug A and Drug B treat the same medical condition and Drug A is less costly, our plan may require you to try Drug A first. If Drug A doesn't work for you, our plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**. Our plan's step therapy criteria can be obtained by calling Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) or on our website **mercycareaz.org/advantage/materials-forms.html#0**.

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it's normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What you can do if one of your drugs isn't covered the way you'd like

There are situations where a prescription drug you take, or that you and your provider think you should take, isn't on our Drug List or has restrictions. For example:

- The drug might not be covered at all. Or a generic version of the drug may be covered but the brand name version you want to take isn't covered.
- The drug is covered, but there are extra rules or restrictions on coverage.

If your drug isn't on the Drug List or is restricted, here are options for what you can do:

- You may be able to get a temporary supply of the drug.

- You can change to another drug.
- You can ask for an **exception** and ask our plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, our plan must provide a temporary supply of a drug you're already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you take **must no longer be on our plan's Drug List** OR **is now restricted in some way**.

- **If you're a new member,** we'll cover a temporary supply of your drug during the first **90 days** of your membership in our plan**.**
- **If you were in our plan last year,** we'll cover a temporary supply of your drug during the first **90 days** of the calendar year.
- This temporary supply will be for a maximum of 31 days. If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of 31 days of medication. The prescription must be filled at a network pharmacy. (Note that a long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For members who've been in our plan for more than 90 days and live in a long-term care facility and need a supply right away:** We'll cover one 31-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
- **For current members who have a change in their level of care** (e.g. you are discharged from a hospital to your home or admitted to, or discharged from, a long-term care facility): Your pharmacy may obtain an override of up to a 31-day supply from Mercy Care Advantage. Please call Member Services at the number listed on the back of this booklet for more information.

For questions about a temporary supply, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

During the time when you're using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have 2 options:

Option 1. You can change to another drug

Talk with your provider about whether a different drug covered by our plan may work just as well for you. Call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

Option 2. You can ask for an exception

You and your provider can ask our plan to make an exception and cover the drug in the way you'd like it covered. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception. For example, you can ask our plan to cover a drug even though it's not on our plan's Drug List. Or you can ask our plan to make an exception and cover the drug without restrictions.

If you're a current member and a drug you take will be removed from the formulary or restricted in some way for next year, we'll tell you about any change before the new year. You can ask for an exception before next year and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement). If we approve your request, we'll authorize coverage for the drug before the change takes effect.

If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 to learn what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

Section 5.1 You can change to another drug

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower cost-sharing tier that might work just as well for you. Call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

You can ask for an exception

You and your provider can ask our plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception to the rule.

If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 for what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

SECTION 6 Our Drug List can change during the year

Most changes in drug coverage happen at the beginning of each year (January 1). However, during the year, our plan can make some changes to the Drug List. For example, our plan might:

- **Add or remove drugs from the Drug List**.
- **Add or remove a restriction on coverage for a drug**.
- **Replace a brand name drug with a generic version of the drug.**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

We must follow Medicare requirements before we change our plan's Drug List.

Information on changes to drug coverage

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. Sometimes you'll get direct notice if changes were made for a drug that you take.

Changes to drug coverage that affect you during this plan year

Advance General Notice that plan sponsor may make certain immediate generic and biosimilar substitutions: To immediately replace brand name drugs or biological products with, respectively, new therapeutically equivalent or authorized generic drugs or interchangeable biological products or unbranded biological products (or to change the tiering or the restrictions, or both, applied if the related drug stays on the formulary), plan sponsors that otherwise meet the requirements must include this language:

- **Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List**
    - When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new restrictions, or both. The version of the drug that we add will be the same with the same or fewer restrictions.
    - We'll make these changes only if we add a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
    - We'll tell you at least 30 days before we make the change or tell you about the change and cover an 31-day fill of the version of the drug you're taking.

- **Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
    - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you're taking that drug, we'll tell you after we make the change.
- **Making other changes to drugs on the Drug List.**
    - We may make other changes once the year has started that affect drugs you are taking. For example, we based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
    - We'll tell you at least 30 days before we make these changes or tell you about the change and cover an additional 31-day fill of the drug you take.

If we make any of these changes to any of the drugs you take, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or ask for a coverage decision to satisfy any new restrictions on the drug you're taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, go to Chapter 9.

Changes to the Drug List that don't affect you during this plan year

We may make certain changes to the Drug List that aren't described above. In these cases, the change won't apply to you if you're taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that won't affect you during the current plan year are:

- We put a new restriction on the use of your drug.
- We remove your drug from the Drug List.

If any of these changes happen for a drug you take (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We won't tell you about these types of changes directly during the current plan year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to drugs you take that will impact you during the next plan year.

SECTION 7 Types of drugs we don't cover

Some kinds of prescription drugs are *excluded*. This means Medicare doesn't pay for these drugs.

If you appeal and the drug asked for is found not to be excluded under Part D, we'll pay for or cover it. (For information about appealing a decision, go to Chapter 9.) If the drug excluded by our plan is also excluded by AHCCCS (Medicaid), you must pay for it yourself.

Here are 3 general rules about drugs that Medicare drug plans won't cover under Part D:

- Our plan's Part D drug coverage can't cover a drug that would be covered under Medicare Part A or Part B.
- Our plan can't cover a drug purchased outside the United States or its territories.
- Our plan can't cover *off-label* use of a drug when the use isn't supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the FDA.

In addition, by law, the following categories of drugs listed below aren't covered by Medicare. However, some of these drugs may be covered for you under your AHCCCS (Medicaid) drug coverage. Contact your AHCCCS (Medicaid) plan Member Services for information on these drugs.

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer requires associated tests or monitoring services be purchased only from the manufacturer as a condition of sale

If you get Extra Help to pay for your prescriptions, Extra Help won't pay for drugs that aren't normally covered. If you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Contact

your state Medicaid program to determine what drug coverage may be available to you. (Find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)]

SECTION 8 How to fill a prescription

To fill your prescription, provide our plan membership information (which can be found on your membership card at the network pharmacy you choose. The network pharmacy will automatically bill our plan for our share of the costs of your drug. You'll need to pay the pharmacy your share of the cost when you pick up your prescription.

If you are enrolled with Mercy Care for your AHCCCS (Medicaid) benefits, you only have to show your Mercy Care Advantage dual membership card to fill prescriptions covered by the plan and under AHCCCS (Medicaid).

If you don't have our plan membership information with you, you or the pharmacy can call our plan to get the information, or you can ask the pharmacy to look up our plan enrollment information.

If the pharmacy can't get the necessary information, **you may have to pay the full cost of the prescription when you pick it up**. You can then **ask us to reimburse you** for our share. Go to Chapter 7, Section 2 for information about how to ask our plan for reimbursement.

SECTION 9 Part D drug coverage in special situations

Section 9.1 In a hospital or a skilled nursing facility for a stay covered by our plan

If you're admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we'll generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, our plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this chapter.

Section 9.2 As a resident in a long-term care (LTC) facility

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all its residents. If you're a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your Pharmacy Directory at **mercycareaz.org/find-a-provider** to find out if your LTC facility's pharmacy or the one it uses is part of our network. If it isn't, or if you need more information or help, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call

711). If you're in an LTC facility, we must ensure that you're able to routinely get your Part D benefits through our network of LTC pharmacies.

If you're a resident in an LTC facility and need a drug that isn't on our Drug List or restricted in some way, go to Section 5 for information about getting a temporary or emergency supply.

Section 9.3 If you also get drug coverage from an employer or retiree group plan

If you have other drug coverage through your (or your spouse or domestic partner's) employer or retiree group, contact **that group's benefits administrator.** They can help you understand how your current drug coverage will work with our plan.

In general, if you have employee or retiree group coverage, the drug coverage you get from us will be *secondary* to your group coverage. That means your group coverage pays first.

Special note about creditable coverage:

Each year your employer or retiree group should send you a notice that tells you if your drug coverage for the next calendar year is creditable.

If the coverage from the group plan is creditable, it means that our plan has drug coverage that's expected to pay, on average, at least as much as Medicare's standard drug coverage.

Keep any notices about creditable coverage because you may need these notices later to show that you maintained creditable coverage. If you didn't get a creditable coverage notice, ask for a copy from your employer or retiree plan's benefits administrator or the employer or union.

Section 9.4 If you're in Medicare-certified hospice

Hospice and our plan don't cover the same drug at the same time. If you're enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that aren't covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in getting these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

We conduct drug use reviews to help make sure our members get safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems like:

- Possible medication errors
- Drugs that may not be necessary because you take another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you're allergic to
- Possible errors in the amount (dosage) of a drug you take
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we'll work with your provider to correct the problem.

Section 10.1 Drug Management Program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we limit coverage of these drugs for you, or if

you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You'll have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we'll automatically send your case to an independent reviewer outside of our plan. Go to Chapter 9 for information about how to ask for an appeal.

You won't be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you're getting hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.2 Medication Therapy Management (MTM) to help members manage medications

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program voluntary and free. A team of pharmacists and doctors developed the program for us to help make sure our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help them use opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will get information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we'll automatically enroll you in the program and send you information. If you decide not to participate, notify us and we'll withdraw you. For

questions about this program. call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

CHAPTER 6: What you pay for Part D drugs

SECTION 1 What you pay for Part D drugs

We use “drug” in this chapter to mean a Part D prescription drug. Not all drugs are Part D drugs. Some drugs are excluded from Part D coverage by law. Some of the drugs excluded from Part D coverage are covered under Medicare Part A or Part B or under AHCCCS (Medicaid).

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5 explains these rules. When you use our plan’s “Real-Time Benefit Tool” to look up drug coverage (**medicareplanrx.com/jccf/mca_formulary_26.html**), the cost you see shows an estimate of the out-of-pocket costs you’re expected to pay. You can also get information provided in the “Real-Time Benefit Tool” by calling Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

How can you get information about your drug costs if you’re getting Extra Help with your Part D prescription drug costs?

Because you’re eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you have Extra Help, **some information in this** Evidence of Coverage **about the costs for Part D prescription drugs may not apply to you**. We sent you a separate insert, called the Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs (also known as the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug coverage. We mailed the LIS Rider to you on September 25, 2025. If you don’t have this insert, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) and ask for the LIS Rider.

Section 1.1 Types of out-of-pocket costs you may pay for covered drugs

There are 3 different types of out-of-pocket costs for covered Part D drugs that you may be asked to pay:

- **Deductible** is the amount you pay for drugs before our plan starts to pay our share.
- **Copayment** is a fixed amount you pay each time you fill a prescription.
- **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

Section 1.2 How Medicare calculates your out-of-pocket costs

Medicare has rules about what counts and what doesn't count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

These payments <u>are included</u> in your out-of-pocket costs

Your out-of-pocket costs **include** the payments listed below (as long as they're for covered Part D drugs and you followed the rules for drug coverage explained in Chapter 5):

- The amount you pay for drugs when you're in the following drug payment stages:
  - The Initial Coverage Stage
- Any payments you made during this calendar year as a member of a different Medicare drug plan before you joined our plan
- Any payments for your drugs made by family or friends
- Any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, State Pharmaceutical Assistance Programs (SPAPs), and most charities.

Moving to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of $2,100 in out-of-pocket costs within the calendar year, you move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

These payments <u>aren't included</u> in your out-of-pocket costs

Your out-of-pocket costs **don't include** any of these types of payments:

- Drugs you buy outside the United States and its territories
- Drugs that aren't covered by our plan
- Drugs you get at an out-of-network pharmacy that don't meet our plan's requirements for out-of-network coverage
- Payments for your drugs made by certain insurance plans and government-funded health programs such as TRICARE and the Veterans Health Administration (VA)
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation)
- Payments made by drug manufacturers under the Manufacturer Discount Program

Reminder: If any other organization like the ones listed above pays part or all your out-of-pocket costs for drugs, you're required to tell our plan by calling Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

Tracking your out-of-pocket total costs

- The *Part D Explanation of Benefits* (EOB) you get includes the current total of your out-of-pocket costs. When this amount reaches $2,100, the *Part D EOB* will tell you that you left the Initial Coverage Stage and moved to the Catastrophic Coverage Stage.
- **Make sure we have the information we need**. Go to Section 3.1 to learn what you can do to help make sure our records of what you spent are complete and up to date.

SECTION 2 Drug payment stages for Mercy Care Advantage members

There are **3 drug payment stages** for your drug coverage under Mercy Care Advantage. How much you pay for each prescription depends on what stage you're in when you get a prescription filled or refilled. Details of each stage are explained in this chapter. The stages are:

- **Stage 1: Yearly Deductible Stage**
- **Stage 2: Initial Coverage Stage**
- **Stage 3: Catastrophic Coverage Stage**

SECTION 3 Your *Part D Explanation of Benefits* explains which payment stage you're in

Our plan keeps track of your prescription drug costs and the payments you make when you get prescriptions at the pharmacy. This way, we can tell you when you move from one drug payment stage to the next. We track 2 types of costs:

- **Out-of-Pocket Costs:** this is how much you paid. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- **Total Drug Costs:** this is the total of all payments made for your covered Part D drugs. It includes what our plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you filled one or more prescriptions through our plan during the previous month, we'll send you a *Part D EOB*. The *Part D EOB* includes:

- **Information for that month**. This report gives payment details about prescriptions you filled during the previous month. It shows the total drug costs, what our plan paid, and what you and others paid on your behalf.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This displays the total drug price, and information about changes in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This shows information about other available drugs with lower cost sharing for each prescription claim, if applicable

Section 3.1 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps make sure we know about the prescriptions you fill and what you pay.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we won't automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts. **Examples of when you should give us copies of your drug receipts:**
    - When you purchase a covered drug at a network pharmacy at a special price or use a discount card that's not part of our plan's benefit.
    - When you pay a copayment for drugs provided under a drug manufacturer patient assistance program.
    - Any time you buy covered drugs at out-of-network pharmacies or pay the full price for a covered drug under special circumstances.
    - If you're billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- **Send us information about the payments others make for you.** Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by, an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.

- **Check the written report we send you.** When you get the *Part D EOB*, look it over to be sure the information is complete and correct. If you think something is missing or have questions, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**). Be sure to keep these reports.

SECTION 4 There's no deductible for Mercy Care Advantage

There's no deductible for Mercy Care Advantage. You begin in the Initial Coverage Stage when you fill your first prescription for the year. Go to Section 5 for information about your coverage in the Initial Coverage Stage.

Because most of our members get Extra Help with their prescription drug costs, the Deductible Stage doesn't apply to most members. If you get Extra Help, this payment stage doesn't apply to you.

SECTION 5 The Initial Coverage Stage

Section 5.1 What you pay for a drug depends on the drug and where you fill your prescription

During the Initial Coverage Stage, our plan pays its share of the cost of your covered drugs, and you pay your share (your copayment). Your share of the cost will vary depending on the drug and where you fill your prescription.

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy
- A pharmacy that isn't in our plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Go to Chapter 5, Section 2.5 to find out when we'll cover a prescription filled at an out-of-network pharmacy.
- Our plan's mail-order pharmacy.

For more information about these pharmacy choices and filling your prescriptions, go to Chapter 5 and our plan's Pharmacy Directory at **mercycareaz.org/find-a-provider**.

Section 5.2 Your costs for a *one-month* supply of a covered drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

Your costs for a *one-month* supply of a covered Part D drug

Tier	**Standard retail in-network cost sharing** (up to a 31-day supply)	**Mail-order cost sharing** (up to a 31-day supply)	**Long-term care (LTC) cost sharing** (up to a 31-day supply)	**Out-of-network cost sharing** (Coverage is limited to certain situations; go to Chapter 5 for details.) (up to a 31-day supply)
Generic drugs (including brand drugs treated as generic)	$0/$1.60/$5.10 (each prescription)	$0/$1.60/$5.10 (each prescription)	$0/$1.60/$5.10 (each prescription)	$0/$1.60/$5.10 (each prescription)
All other drugs	$0/$4.90/$12.65 (each prescription)	$0/$4.90/$12.65 (each prescription)	$0/$4.90/$12.65 (each prescription)	$0/$4.90/$12.65 (each prescription)

Go to Section 8 for more information on cost sharing for Part D vaccines.

Section 5.3 If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply

Typically, the amount you pay for a drug covers a full month's supply. There may be times when you or your doctor would like you to have less than a month's supply of a drug (for example, when you're trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply if this will help you better plan refill dates.

If you get less than a full month's supply of certain drugs, you won't have to pay for the full month's supply.

- If you're responsible for coinsurance, you pay a *percentage* of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- If you're responsible for a copayment for the drug, you only pay for the number of days of the drug that you get instead of a whole month. We calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you get.

Section 5.4 Your costs for a long-term (100-day) supply of a covered Part D drug

For some drugs, you can get a long-term supply (also called an extended supply). A long-term supply is up to a 100-day supply.

Your costs for a long-term up to a (100-day) supply of a covered Part D drug

Tier	Standard retail cost sharing (in-network) (up to a 100-day supply)	Mail-order cost sharing (up to a 100-day supply)
Generic drugs (including brand drugs treated as generic)	$0/$1.60/$5.10 (each prescription)	$0/$1.60/$5.10 (each prescription)
All other drugs	$0/$4.90/$12.65 (each prescription)	$0/$4.90/$12.65 (each prescription)

Section 5.5 You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach $2,100

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach $2,100. You then move to the Catastrophic Coverage Stage.

The *Part D EOB* that you get will help you keep track of how much you, our plan, and any third parties have spent on your behalf during the year. Not all members will reach the $2,100 out-of-pocket limit in a year.

We'll let you know if you reach this amount. Go to Section 1.3 for more information on how Medicare calculates your out-of-pocket costs.

SECTION 6 The Catastrophic Coverage Stage

In the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs. You enter the Catastrophic Coverage Stage when your out-of-pocket costs reach the $2,100 limit for the calendar year. Once you're in the Catastrophic Coverage Stage, you stay in this payment stage until the end of the calendar year.

SECTION 7 What you pay for Part D vaccines

Important message about what you pay for vaccines – Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs.

You can find these vaccines listed in our plan's Drug List. Our plan covers most adult Part D vaccines at no cost to you. Go to our plan's Drug List or call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) for coverage and cost-sharing details about specific vaccines.

There are 2 parts to our coverage of Part D vaccines:

- The first part is the cost of **the vaccine itself**.
- The second part is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccine depend on 3 things:

1. **Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).**
    - Most adult Part D vaccines are recommended by ACIP and cost you nothing.
2. **Where you get the vaccine.**
    - The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.
3. **Who gives you the vaccine.**
    - A pharmacist or another provider may give the vaccine in the pharmacy. Or, a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccine can vary depending on the circumstances and what **drug payment stage** you're in.

- When you get a vaccine, you may have to pay the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you'll be reimbursed the entire cost you paid.
- Other times, when you get a vaccine, you pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you pay nothing.

Below are 3 examples of ways you might get a Part D vaccine.

Situation 1: You get the Part D vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states don't allow pharmacies to give certain vaccines.)

- For most adult Part D vaccines, you pay nothing.
- For other Part D vaccines, you pay the pharmacy copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccine at your doctor's office.

- When you get the vaccine, you may have to pay the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any copayment for the vaccine (including administration)

Situation 3: You buy the Part D vaccine itself at the network pharmacy and take it to your doctor's office where they give you the vaccine.

- For most adult Part D vaccines, you pay nothing for the vaccine itself.
- For other Part D vaccines, you pay the pharmacy your copayment for the vaccine itself.
- When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
- You can then ask our plan to pay our share of the cost by using the procedures in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid.

CHAPTER 7: Asking us to pay our share of a bill for covered medical services or drugs

SECTION 1 Situations when you should ask us to pay our share for covered services or drugs

Our network providers bill our plan directly for your covered services and drugs– you shouldn't get a bill for covered services or drugs. If you get a bill for the full cost of medical care or drugs you got, send this bill to us so that we can pay it. When you send us the bill, we'll look at the bill and decide whether the services and drugs should be covered. If we decide they should be covered, we'll pay the provider directly.

If you already paid for a Medicare service or item covered by our plan, you can ask our plan to pay you back (paying you back is often called **reimburse** you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter. When you send us a bill you've already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First, try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost-sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

1. **When you got emergency or urgently needed medical care from a provider who's not in our plan's network**
    - You can get emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases, ask the provider to bill our plan.

- If you pay the entire amount yourself at the time you get the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us this bill, along with documentation of any payments you made.
    - If the provider is owed anything, we'll pay the provider directly.
    - If you already paid more than your share of the cost for the service, we'll determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you shouldn't pay

Network providers should always bill our plan directly. But sometimes they make mistakes and ask you to pay more than your share of the cost.

- You only have to pay your cost-sharing amount when you get covered services. We don't allow providers to add additional separate charges, called **balance billing**. This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there's a dispute and we don't pay certain provider charges. We don't allow providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.
- Whenever you get a bill from a network provider you think is more than you should pay, send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, but feel you paid too much, send us the bill along with documentation of any payment you made. Ask us to pay you back for the difference between the amount you paid and the amount you owed under our plan.

3. If you're retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out of pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to fill a prescription

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out-of-network pharmacies in limited circumstances. Go to Chapter 5, Section 2.5 to learn more about these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have our plan membership card with you

If you don't have our plan membership card with you, you can ask the pharmacy to call our plan or look up our plan enrollment information. If the pharmacy can't get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find the drug isn't covered for some reason.

- For example, the drug may not be on our plan's Drug List or it could have a requirement or restriction you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for our share of the cost for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 9 has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or pay a bill you got

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you've made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 365 days** of the date you got the service, item, or **within 3 years** for the drug.

Mail your request for payment together with any bills or paid receipts to us at this address:

Mercy Care Advantage
Attn: Member Services
4750 44th Place, Suite 150
Phoenix, AZ 85040

For Part D claims, mail your request for payment together with any bills or receipts to us at this address:

Medicare Part D Paper Claim
P.O. Box 52066
Phoenix, AZ 85072-2066

SECTION 3 We'll consider your request for payment and say yes or no

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care or drug is covered and you followed all the rules, we'll pay for our share of the cost for the service or drug. If you already paid for the service or drug, we'll mail your reimbursement of our share of the cost to you. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you haven't paid for the service or drug yet, we'll mail the payment directly to the provider.
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we won't pay for our share of the cost of the care or drug. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

Section 3.1 If we tell you we won’t pay for all or part of the medical care or drug, you can make an appeal

If you think we made a mistake in turning down your request for payment or the amount we’re paying, you can make an appeal. If you make an appeal, it means you’re asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9.

CHAPTER 8: Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities

Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)

Debemos proveer información en una forma que funcione para usted (en idiomas distintos inglés, en braille, en letra grande, o en otros formatos alternos, etc.)

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan may meet these accessibility requirements include, but aren't limited to, provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Nuestro plan está obligado a garantizar que todos los servicios, tanto clínicos como no clínicos, se presten de forma culturalmente competente y sean accesibles a todos los inscritos, incluidos los que tienen un dominio limitado del inglés, una capacidad limitada de lectura, una incapacidad auditiva o un origen cultural y étnico diverso. Entre los ejemplos de cómo nuestro plan puede cumplir con estos requisitos de accesibilidad se incluyen, entre otros, proveer servicios de traducción, servicios de interpretación, teletipos o TTY (teléfono o teléfono de teletipo).

Our plan has free interpreter services available to answer questions from non-English speaking members. We can provide certain written materials in languages other than English and Spanish. We can also give you materials in braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**).

Nuestro plan cuenta con servicios de interpretación gratuitos disponibles para responder las preguntas de los miembros que no hablan inglés. Podemos proporcionarle determinados materiales escritos en otros idiomas además de inglés y español. También podemos proporcionarle materiales en braille, en tamaño de letra grande o en otros formatos alternativos, sin costo alguno, si lo necesita. Tenemos la obligación de brindarle información

sobre los beneficios de nuestro plan en un formato que sea accesible y apropiado para usted. Para obtener información nuestra de una manera que sea conveniente para usted, llame al Departamento de Servicios para Miembros al **602-364-3610** o al **1-800-334-1540** (los usuarios de TTY deben llamar al **711**).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

Nuestro plan está obligado a brindar a las mujeres inscritas la opción de acceso directo a un especialista en salud de la mujer dentro de la red para servicios de atención médica preventiva y de rutina para las mujeres.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call our plan for information on where to go to get this service at in-network cost sharing.

Si no hay proveedores de una especialidad disponibles en la red de nuestro plan, es responsabilidad de nuestro plan localizar proveedores especializados fuera de la red que le proporcionen la atención necesaria. En este caso, usted solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la que no hay especialistas en la red de nuestro plan que cubran el servicio que necesita, llame al plan para obtener información sobre dónde puede obtener este servicio al costo compartido dentro de la red.

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**). You can also file a complaint with Medicare by calling **1-800-MEDICARE** (**1-800-633-4227**) or directly with the Office for Civil Rights **1-800-368-1019** or TTY **1-800-537-7697**.

Si tiene algún problema para obtener información de nuestro plan en un formato que sea accesible y apropiado para usted, para consultar a un especialista en salud de la mujer o para encontrar un especialista de la red, llame para presentar una queja ante el Departamento de Servicios para Miembros al **602-364-3610** o al **1-800-334-1540** (los usuarios de TTY deben llamar al **711**). También puede presentar un reclamo ante Medicare llamando al **1-800-MEDICARE** (**1-800-633-4227**) o directamente ante la Oficina de Derechos Civiles llamando al **1-800-368-1019** o, si es usuario de TTY, al **1-800-537-7697**.

Section 1.2 We must ensure you get timely access to covered services and drugs

You have the right to choose a primary care provider (PCP) in our plan's network to provide and arrange for your covered services. You also have the right to go to a women's health specialist (such as a gynecologist) without a referral.

You have the right to get appointments and covered services from our plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you aren't getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you've given legal power to make decisions for you first.*
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
    - We are required to release health information to government agencies that are checking on quality of care.
    - Because you're a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other

uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held at our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your personal health information, call Member Services at **602-364-3610** or **1-800-334-1540** (TTY users call **711**) .

Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

What we mean when we use the words "health information"

We use the words "health information" when we mean information that identifies you. Examples include your:

- Name
- Date of birth
- Health care you received
- Amounts paid for your care

How we use and share your health information

Help take care of you: We may use your health information to help with your health care. We also use it to decide what services your benefits cover. We may tell you about services you can get. This could be checkups or medical tests. We may also remind you of appointments. We may share your health information with other people who give you care. This could be doctors or drug stores. We may use a private internet website to share your health information with the people who give you care. If you are no longer with our plan, with your okay, we will give your health information to your new doctor.

Family and friends: We may share your health information with someone who is helping you. They may be helping with your care or helping pay for your care. For example, if you have an

accident, we may need to talk with one of these people. If you do not want us to give out your health information call us.

If you are under eighteen and don't want us to give your health information to your parents, call us. We can help in some cases if allowed by state law.

For payment: We may give your health information to others who pay for your care. Your doctor must give us a claim form that includes your health information. We may also use your health information to look at the care your doctor gives you. We can also check your use of health services.

Health care operations: We may use your health information to help us do our job. For example, we may use your health information for:

- Health promotion
- Case management
- Quality improvement
- Fraud prevention
- Disease prevention
- Legal matters

A case manager may work with your doctor. They may tell you about programs or places that can help you with your health problem. When you call us with questions, we need to look at your health information to give you answers.

Race/Ethnicity, Language, Sexual Orientation and Gender Identity Data

We may get information related to your race, ethnicity, language, sexual orientation and gender identity. We protect this information as described in this notice. We use this information to:

- Make sure you get the care you need
- Create programs to improve health outcomes
- Create health education information
- Let the doctors know about your language needs
- Address health care disparities
- Let member facing staff and doctors know about your pronouns

We do not use this information to:

- Determine benefits
- Pay claims

- Determine your cost or eligibility for benefits
- Discriminate against members for any reason
- Determine health care or administrative service availability or access

Sharing with other businesses

We may share your health information with other businesses. We do this for the reasons we explained above. For example, you may have transportation covered in your plan. We may share your health information with them to help you get to the doctor's office. We will tell them if you are in a motorized wheelchair so they send a van instead of a car to pick you up.

Other reasons we might share your health information

We also may share your health information for these reasons:

- Public safety – To help with things like child abuse. Threats to public health.
- Research – To researchers. After care is taken to protect your information.
- Business partners –To people that provide services to us. They promise to keep your information safe.
- Industry regulation – To state and federal agencies. They check us to make sure we are doing a good job.
- Law enforcement – To federal, state and local enforcement people.
- Legal actions –To courts for a lawsuit or legal matter.

Reasons that we will need your written okay

Except for what we explained above, we will ask for your okay before using or sharing your health information. For example, we will get your okay:

- For marketing reasons that have nothing to do with your health plan.
- Before sharing any psychotherapy notes.
- For the sale of your health information.
- For other reasons as required by law.

You can cancel your okay at any time. To cancel your okay, write to us. We cannot use or share your genetic information when we make the decision to provide you health care insurance.

What are your rights

You have the right to look at your health information.

- You can ask us for a copy of it.
- You can ask for your medical records. Call your doctor's office or the place where you were treated.

You have the right to ask us to change your health information.

- You can ask us to change your health information if you think it is not right.
- If we don't agree with the change you asked for, ask us to file a written statement of

disagreement.

You have the right to get a list of people or groups that we have shared your health information with.

You have the right to ask for a private way to be in touch with you.
- If you think the way we keep in touch with you is not private enough, call us.
- We will do our best to be in touch with you in a way that is more private.

You have the right to ask for special care in how we use or share your health information.
- We may use or share your health information in the ways we describe in this notice.
- You can ask us not to use or share your information in these ways. This includes sharing with people involved in your health care.
- We don't have to agree. But we will think about it carefully.

You have the right to know if your health information was shared without your okay.
- We will tell you if we do this in a letter.

Call us toll free at **1-800-624-3879**, (TTY **711**) to:

- Ask us to do any of the things above.
- Ask us for a paper copy of this notice.
- Ask us any questions about the notice.

You also have the right to send us a complaint. If you think your rights were violated, write to us at:

Aetna HIPAA Member Rights Team
P.O. Box 14079
Lexington, KY 40512-4079
FAX: **859-280-1272**

You also can file a complaint with the Department of Health and Human Services, Office of Civil Rights. Call us to get the address.

If you are unhappy and tell the Office of Civil Rights, you will not lose plan membership or health care services. We will not use your complaint against you.

Protecting your information

We protect your health information with specific procedures. For example, we protect entry to our computers and buildings. This helps us to block unauthorized entry. We follow all applicable state and federal laws for the protection of your health information.

Will we change this notice

By law, we must keep your health information private. We must follow what we say in this notice. We also have the right to change this notice. If we change this notice, the changes apply to all of your information we have or will get in the future. You can get a copy of the most recent notice.

Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of Mercy Care Advantage, you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**):

- **Information about our plan**. This includes, for example, information about our plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D drug coverage.
- **Information about why something isn't covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug isn't covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Section 1.5 You have the right to know about your treatment options and participate in decisions about your care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether

they're covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.

- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. If you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what's to be done if you can't make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you're in this situation. This means *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance in these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

How to set up an advance directive to give instructions:

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) to ask for the forms.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital**.

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

Filling out an advance directive is your choice (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

If your instructions aren't followed

If you sign an advance directive and you believe that a doctor or hospital did not follow the instructions in it, you can file a complaint with the Arizona Attorney General's Office, Civil Rights Division at **602-542-5263** or **1-877-491-5742**, TDD **602-542-5002**.

Resources
There are groups you can contact who will act as an advocate for you. Health advocacy involves direct service to you and your family, which can help promote health and access to health care. An advocate is anyone who supports and promotes your rights.

There are several advocacy resources listed below.

Arizona Attorney General's Office
2005 N. Central Ave.
Phoenix, AZ 85004
602-542-5025
www.azag.gov

Arizona Attorney General's Office - Tucson
400 W. Congress, Ste. 315
Tucson, AZ 85701
520-628-6504

Department of Economic Security
Aging and Adult Administration
1789 W. Jefferson St.
Phoenix, AZ 85007
602-542-4446
https://des.az.gov/

Your local Area Agency on Aging or your local senior center may also have forms and information.

The following national organization also provides health care directive forms and information:

AARP
601 E. St., N.W.
Washington, D.C. 20049
1-888-687-2277
https://states.aarp.org/arizona/

Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

If you have any problems, concerns, or complaints and need to ask for coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do—ask for a coverage decision, make an appeal, or make a complaint—**we're required to treat you fairly**.

Section 1.7 If you believe you're being treated unfairly, or your rights aren't being respected

If you believe you've been treated unfairly or your rights haven't been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY users call 1-800-537-7697), or call your local Office for Civil Rights.

If you believe you've been treated unfairly or your rights haven't been respected *and* it's *not* about discrimination, you can get help dealing with the problem you're having from these places:

- **Call our plan's Member Services** at **602-586-1730** or **1-877-436-5288** (TTY users call **711**)
- **Call your local SHIP** at **602-542-4446** or **1-800-432-4040**
- **Call Medicare** at **1-800-MEDICARE** (**1-800-633-4227**) (TTY users call **1-877-486-2048**)
- **Call AHCCCS Administration** at **602-417-4000** or **1-800-654-8713**, 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).
- **Call Arizona Ombudsman – Citizens' Aide** at **602-277-7292** or **1-800-872-2879**, 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays).

Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

- **Call Member Services** at **602-586-1730** or **1-877-436-5288** (TTY users call **711**)
- **Call your local SHIP** at **602-542-4446** or **1-800-432-4040**
- **Contact Medicare**
    - Visit **www.Medicare.gov** to read the publication *Medicare Rights & Protections* (available at: Medicare Rights & Protections)
    - Call 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

SECTION 2 Your responsibilities as a member of our plan

Things you need to do as a member of our plan are listed below. For questions, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**).

- **Get familiar with your covered services and the rules you must follow to get these covered services**. Use this *Evidence of Coverage* to learn what's covered and the rules you need to follow to get covered services.
    - Chapters 3 and 4 give details about medical services.
    - Chapters 5 and 6 give details about Part D drug coverage.
- **If you have any other health coverage or drug coverage in addition to our plan, you're required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you're enrolled in our plan.** Show our plan membership card whenever you get medical care or Part D drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
    - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
    - Make sure your doctors know all the drugs you're taking, including over-the-counter drugs, vitamins, and supplements.
    - If you have questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.

- **Pay what you owe**. As a plan member, you're responsible for these payments:
    - You must continue to pay your Medicare premiums to stay a member of our plan.
    - For most of your medical services or drugs covered by our plan, you must pay your share of the cost when you get the service or drug.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**

CHAPTER 9:
If you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 What to do if you have a problem or concern

This chapter explains the processes for handling problems and concerns. The process you use to handle your problem depends on 2 things:

1. Whether your problem is about benefits covered by **Medicare** or **Medicaid**. If you'd like help deciding whether to use the Medicare process or the Medicaid process, or both, call Member Services at You must continue to pay your Medicare premiums to remain a member of the plan. .

2. The type of problem you're having:
   - For some problems, you need to use the **process for coverage decisions and appeals**.
   - For other problems, you need to use the **process for making complaints** (also called grievances).

Both processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The information in this chapter will help you identify the right process to use and what to do.

Section 1.1 Legal terms

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

SECTION 2 Where to get more information and personalized help

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) for help. In some situations, you may also want help or guidance from someone who isn't connected with us. Two organizations that can help are:

State Health Insurance Assistance Program (SHIP).

Each state has a government program with trained counselors. The program isn't connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You can contact the Department of Economic Security, Division of Aging and Adult Services (Arizona SHIP) at **602-542-4446** or **1-800-432-4040**. See Chapter 2, Section 3 for phone numbers and website.

Medicare

You can also contact Medicare for help:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- You visit **www.Medicare.gov.**

You can get help and information from AHCCCS (Medicaid)

- You can call **602-417-4000** or **1-800-654-8713**
- You can visit the AHCCCS (Medicaid) website (**www.azahcccs.gov**)

You can also get help and information from Livanta (Arizona's Quality Improvement Organization)

- You can call **1-877-588-1123** (TTY **1-855-887-6668**)
- You can visit the Livanta website (**www.livantaqio.com**)

You can also get help and information from the Arizona Ombudsman Citizen's Aide

- You can call **602-277-7292** or **1-800-872-2879**
- You can visit the Arizona Ombudsman's website (**www.azoca.gov**)

SECTION 3 Which process to use for your problem

Because you have Medicare and get help from Medicaid, you have different processes you can use to handle your problem or complaint. Which process you use depends on if the problem is about Medicare benefits or Medicaid benefits. If your problem is about a benefit covered by Medicare, use the Medicare process. If your problem is about a benefit covered by Medicaid, use the Medicaid process. If you'd like help deciding whether to use the Medicare process or the Medicaid process, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) .

The Medicare process and Medicaid process are described in different parts of this chapter. To find out which part you should read, use the chart below.

Is your problem about Medicare benefits or Medicaid benefits?

My problem is about **Medicare** benefits.

Go to **Section 4, Handling problems about your Medicare benefits.**

My problem is about **Medicaid** coverage.

Go to **Section 12**, **Handling problems about your Medicaid benefits.**

SECTION 4 Handling problems about your Medicare benefits

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems related to payment for medical care.

Yes.

Go to **Section 5, A guide to coverage decisions and appeals.**

No.

Go to **Section 11, How to make a complaint about quality of care, waiting times, customer service, or other concerns.**

Coverage decisions and appeals

SECTION 5 A guide to coverage decisions and appeals

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions before you get services

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request

is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances, a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization not connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 6.4** for more information about Level 2 appeals for medical care.
- Part D appeals are discussed in Section 7.

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

Section 5.1 Get help asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call Member Services at 602-586-1730 or 1-877-436-5288 (TTY users call 711)**
- **Get free help** from your State Health Insurance Assistance Program
- **Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they need to be appointed as your representative. Call Member Services and ask for the Appointment of Representative form (The form is also available at **www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf** or on our website at **mercycareaz.org**.
    - For medical care, your doctor can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.
    - For Part D drugs, your doctor or other prescriber can ask for a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied, your doctor or prescriber can ask for a Level 2 appeal.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.
    - If you want a friend, relative, or other person to be your representative, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) and ask for the Appointment of Representative form. (The form is also available at **www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf** or on our website at **mercycareaz.org**. This form gives that person permission to act on your behalf. It must be signed by you and by the person you want to act on your behalf. You must give us a copy of the signed form.
    - We can accept an appeal request from a representative without the form, but we can't complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- **You also have the right to hire a lawyer.** You can contact your own lawyer or get the name of a lawyer from your local bar association or other referral service. There are groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 5.2 Rules and deadlines for different situations

There are 4 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give the details for each of these situations:

- **Section 6:** Medical care: How to ask for a coverage decision or make an appeal
- **Section 7:** Part D drugs: How to ask for a coverage decision or make an appeal
- **Section 8:** How to ask us to cover a longer inpatient hospital stay if you think you're being is discharged too soon
- **Section 9:** How to ask us to keep covering certain medical services if you think your coverage is ending too soon (*Applies only to these services*: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which information applies to you, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) . You can also get help or information from your SHIP.

SECTION 6 Medical care: How to ask for a coverage decision or make an appeal

Section 6.1 What to do if you have problems getting coverage for medical care or want us to pay you back for our share of the cost of your care

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we'll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you're in any of the 5 following situations:

1. You aren't getting certain medical care you want, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
2. Our plan won't approve the medical care your doctor or other medical provider wants to give you, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
3. You got medical care that you believe our plan should cover, but we said we won't pay for this care. **Make an appeal. Section 6.3.**
4. You got and paid for medical care that you believe our plan should cover, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 6.5.**

5. You're told that coverage for certain medical care you've been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 6.3.**

Note: **If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services**, go to Sections 8 and 9. Special rules apply to these types of care.

Section 6.2 How to ask for a coverage decision

Legal Terms:

A coverage decision that involves your medical care is called an **organization determination.**

A fast coverage decision is called an **expedited determination.**

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. You can get a fast coverage decision *only* if using the standard deadlines could cause serious harm to your health or hurt your ability to regain function.

If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.

If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision. If we don't approve a fast coverage decision, we'll send you a letter that:

- Explains that we'll use the standard deadlines.
- Explains if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
- Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we'll give you an answer within 7 calendar days after we get your request for a medical item or service that is subject to our prior authorization rules. If your requested medical item or service is not subject to our prior authorization rules, we'll give you an answer within 14 calendar days after we get your request. If your request is for a Part B drug, we'll give you an answer within 72 hours after we get your request.

- **However,** if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a fast complaint. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 11 of this chapter for information on complaints.)

For fast coverage decisions we use an expedited timeframe.

A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.

- **However,** if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days**. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a *fast complaint*. (Go to Section 11 for information on complaints.) We'll call you as soon as we make the decision.
- If our answer is no to part or all of what you asked for, we'll send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

Section 6.3 How to make a Level 1 appeal

Legal Terms:

An appeal to our plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration.**

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.2 of this chapter.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you're asking for a standard appeal, submit your standard appeal in writing.** You may also ask for an appeal by calling us, writing us, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information. Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.

- **You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

Step 3: We consider your appeal, and we give you our answer.

- When we are reviewing your appeal, we take a careful look at all the information. We check to see if we were following all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
    - If you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.
    - If we don't give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must authorize or provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for,** we'll send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it gets your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if your health condition requires us to.

    - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service**.** If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
    - If you believe we *shouldn't* take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (Go to Section 11 for information on complaints.)

- If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal where an independent review organization will review the appeal. Section 6.4 explains the Level 2 appeal process.

- **If our answer is yes to part or all of what you asked for,** we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Part B drug.
- **If our plan says no to part or all of your appeal**, we'll automatically send your appeal to the independent review organization for a Level 2 appeal.

Section 6.4 The Level 2 appeal process

Legal Term:

The formal name for the independent review organization is the **Independent Review Entity.** It's sometimes called the **IRE.**

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file**.
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all the information about your appeal.

If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.

- For the standard appeal, if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it gets your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

Step 2: The independent review organization gives you its answer.

The independent review organization will tell you it's decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service,** we must authorize the medical care coverage within **72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **72 hours** from the date we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests.** For **expedited requests** we have **24 hours** from the date we get the decision from the independent review organization**.**
- **If the independent review organization says no to part or all of your appeal**, it means they agree with our plan that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:
    - Explains the decision.
    - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage you're requesting meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
    - Tells you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 explains the Level 3, 4, and 5 appeals processes.

Section 6.5 If you're asking us to pay you back for our share of a bill you got for medical care

If you have already paid for a Medicaid service or item covered by our plan, ask our plan to pay you back (**reimburse** you). It's your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. When you send us a bill you have already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. To make this decision, we'll check to see if the medical care you paid for is covered. We'll also check to see if you followed the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed the rules, we'll send you the payment for our share of the cost typically within 30 calendar days, but no later than 60 calendar days after we get your request. If you haven't paid for the medical care, we'll send the payment directly to the provider.
- **If we say no to your request:** If the medical care isn't covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we won't pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals in Section 6.3. For appeals concerning reimbursement, note:

- We must give you our answer within 60 calendar days after we get your appeal. If you're asking us to pay you back for medical care you already got and paid for, you aren't allowed to ask for a fast appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the provider within 60 calendar days.

SECTION 7 Part D drugs: How to ask for a coverage decision or make an appeal

Section 7.1 This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (Go to Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs go to Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug List instead of *List of Covered Drugs* or formulary.

- If you don't know if a drug is covered or if you meet the rules, you can ask us. Some drugs require that you get approval from us before we'll cover it.
- If your pharmacy tells you that your prescription can't be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Term:

An initial coverage decision about your Part D drugs is called a **coverage determination.**

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your drugs. This section tells what you can do if you're in any of the following situations:

- Asking to cover a Part D drug that's not on our plan's Drug List. **Ask for an exception. Section 7.2**

- Asking to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get) **Ask for an exception. Section 7.2**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 7.4**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 7.4**

If you disagree with a coverage decision we made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal.

Section 7.2 Asking for an exception

Legal Terms:

Asking for coverage of a drug that's not on the Drug List is a **formulary exception**.

Asking for removal of a restriction on coverage for a drug is a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is a **tiering exception**.

If a drug isn't covered in the way you'd like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are 2 examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. **Covering a Part D drug that's not on our Drug List.** If we agree to cover a drug not on the Drug List, you'll need to pay the cost-sharing amount that applies to all our drugs. You can't ask for an exception to the cost-sharing amount we require you to pay for the drug.
2. **Removing a restriction for a covered drug**. Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List.

Section 7.3 Important things to know about asking for exceptions

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons you're asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List typically includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you're requesting and wouldn't cause more side effects or other health problems, we generally won't approve your request for an exception.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of our plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request, you can ask for another review by making an appeal.

Section 7.4 How to ask for a coverage decision, including an exception

Legal term:

A fast coverage decision is called an **expedited coverage determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we get your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we get your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. **To get a fast coverage decision, you must meet 2 requirements:**

- You must be asking for a drug you didn't get yet. (You can't ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we'll automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
    - Explains that we'll use the standard deadlines.
    - Explains if your doctor or other prescriber asks for the fast coverage decision, we'll automatically give you a fast coverage decision.

- Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for. We'll answer your complaint within 24 hours of receipt.

Step 2: Ask for a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to ask us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website at **https://www.mercycareaz.org/content/dam/mercycare/pdf/H5580_20_051_C%20%20Coverage%20Determination%20form%2011-2019_Final%20Approved-UA.pdf**. Chapter 2 has contact information. To help us process your request, include your name, contact information, and information that shows which denied claim is being appealed.

You, your doctor, (or other prescriber) or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you're asking for an exception, provide the supporting statement,** which is the medical reasons for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and give you our answer.

Deadlines for a fast coverage decision

- We must generally give you our answer **within 24 hours** after we get your request.
  - For exceptions, we'll give you our answer within 24 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
  - If we don't meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage we agreed to within 24 hours after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about a drug you didn't get yet

- We must generally give you our answer **within 72 hours** after we get your request.

  - For exceptions, we'll give you our answer within 72 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
  - If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.

- **If our answer is yes to part or all of what you asked for,** we must **provide the coverage** we agreed to **within 72 hours** after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about payment for a drug you already bought

- We must give you our answer **within 14 calendar days** after we get your request.
  - If we don't meet this deadline, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for,** we're also required to make payment to you within 14 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you're going to Level 1 of the appeals process.

Section 7.5 How to make a Level 1 appeal

Legal Terms:

An appeal to our plan about a Part D drug coverage decision is called a plan redetermination.

A fast appeal is called an **expedited redetermination**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.

- If you're appealing a decision, we made about a drug you didn't get yet, you and your doctor or other prescriber will need to decide if you need a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 7.4 of this chapter.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

- **For standard appeals, submit a written request or call us**. Chapter 2 has contact information.
- **For fast appeals, either submit your appeal in writing or call us at** (**602-586- 1730 or 1-877-436-5288**). Chapter 2 has contact information.
- **We must accept any written request,** including a request submitted on the CMS Model Redetermination Request Form, which is available on our website at**https://www.mercycareaz.org/content/dam/mercycare/pdf/H5580_20_052_C%20MCA%20Notice%20of%20Denial_Request%20for%20Redetermination%20Form%2011-2019_Final%20Approved-UA.pdf**. Include your name, contact information, and information about your claim to help us process your request.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.

- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal. We're allowed to charge a fee for copying and sending this information to you.

Step 3: We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all the information about your coverage request. We check to see if we were following all the rules when we said no to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
    - If we don't give you an answer within 72 hours, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 7.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage we have agreed to provide within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal for a drug you didn't get yet

- For standard appeals, we must give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if you didn't get the drug yet and your health condition requires us to do so.
    - If we don't give you a decision within 7 calendar days, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 7.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal about payment for a drug you already bought

- We must give you our answer **within 14 calendar days** after we get your request.

- If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.

- **If our answer is yes to part or all of what you asked for,** we're also required to make payment to you within 30 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make *another* appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Section 7.6 How to make a Level 2 appeal

Legal Term

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you'll include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the independent review organization.
- **You must make your appeal request within 65 calendar days** from the date on the written notice.
- If we did not complete our review within the applicable timeframe or make an unfavorable decision regarding an **at-risk** determination under our drug management program, we'll automatically forward your request to the independent review entity.
- We'll send the information about your appeal to the independent review organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file**.

- You have a right to give the independent review organization additional information to support your appeal.

Step 2: The independent review organization reviews your appeal.

- Reviewers at the independent review organization will take a careful look at all the information about your appeal.

Deadlines for fast appeal

- If your health requires it, ask the independent review organization for a fast appeal.
- If the independent review organization agrees to give you a fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** after it gets your appeal request.

Deadlines for standard appeal

- For standard appeals, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it gets your appeal if it is for a drug you didn't get yet. If you're asking us to pay you back for a drug you already bought, the independent review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it gets your request.

Step 3: The independent review organization gives you its answer.

For fast appeals:

- **If the independent review organization says yes to part or all of what you asked for,** we must **provide the drug coverage** that was approved by the independent review organization **within 24 hours** after we get the decision from the independent review organization.

For standard appeals:

- **If the independent review organization says yes to part or all of your request for coverage,** we must **provide the drug coverage** that was approved by the independent review organization **within 72 hours** after we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of your request to pay you back** for a drug you already bought, we're required to **send payment to you within 30 calendar days** after we get the decision from the independent review organization.

What if the independent review organization says no to your appeal?

If the independent review organization says no to part or all of your appeal, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision**. It's also called **turning down your appeal**.). In this case, the independent review organization will send you a letter that:

- Explains the decision.
- Lets you know about your right to a Level 3 appeal if the dollar value of the drug coverage you're asking for meets a certain minimum. If the dollar value of the drug coverage you're asking for is too low, you can't make another appeal and the decision at Level 2 is final.
- Tells you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal).
- If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 explains the Level 3, 4, and 5 appeals process.

SECTION 8 How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 8.1 During your inpatient hospital stay, you'll get a written notice from Medicare that tells you about your rights

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights.* Everyone with Medicare gets a copy of this notice. If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) or **1-800-MEDICARE** (**1-800-633-4227**). (TTY users call **1-877-486-2048**).

1. **Read this notice carefully and ask questions if you don't understand it.** It tells you:
   - Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
   - Your right to be involved in any decisions about your hospital stay.
   - Where to report any concerns you have about quality of your hospital care.
   - Your right to **ask for an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date, so we'll cover your hospital care for a longer time.

2. **You'll be asked to sign the written notice to show that you got it and understand your rights.**
   - You or someone who is acting on your behalf will be asked to sign the notice.
   - Signing the notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice **doesn't mean** you're agreeing on a discharge date.

3. **Keep your copy** of the notice so you'll have the information about making an appeal (or reporting a concern about quality of care) if you need it.
   - If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
   - To look at a copy of this notice in advance, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) or **1-800 MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**. You can also get the notice online at **www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.**

Section 8.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover your inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it**. If you have questions or need help, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. Department of Economic Security, Division of Aging and Adult Services (Arizona SHIP) at **602-542-4446** or **1-800-432-4040**. SHIP contact information is available in Chapter 2, Section 3.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge.**
    - **If you meet this deadline,** you can stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision from the Quality Improvement Organization.
    - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay all the costs* for hospital care you get after your planned discharge date.

- Once you ask for an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.
- You can get a sample of the **Detailed Notice of Discharge** by calling Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) or **1-800-MEDICARE** (**1-800-633-4227**). (TTY users call **1-877-486-2048**.) Or you can get a sample notice online at **www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.**

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.
- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the independent review organization says *yes*, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the independent review organization says *no*, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.

- If the independent review organization says *no* to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going to **Level 2** of the appeals process.

Section 8.3 How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you it's decision.

If the independent review organization says yes:

- **We must reimburse you** for our share of the costs of hospital care you got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary**.
- You must continue to pay your share of the costs and coverage limitations may apply.

If the independent review organization says no:

- It means they agree with the decision they made on your Level 1 appeal.

- The notice you get will tell you in writing what you can do if you want to continue with the review process.

Step 4: If the answer is no, you need to decide whether you want to take your appeal further by going to Level 3.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 of this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 9 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of these 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying our share of the cost for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Section 9.1 We'll tell you in advance when your coverage will be ending

Legal Term:

Notice of Medicare Non-Coverage. It tells you how you can ask for a **fast-track appeal**. Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

1. **You get a notice in writing** at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:
   - The date when we'll stop covering the care for you.
   - How to ask for a fast-track appeal to ask us to keep covering your care for a longer period of time.

2. **You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got it.** Signing the notice shows *only* that you got the information about when your coverage will stop. **Signing it doesn't mean you agree** with our plan's decision to stop care.

Section 9.2 How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it**. If you have questions or need help, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) . Or call your State Health Insurance Assistance Program (SHIP) for personalized help, Department of Economic Security, Division of Aging and Adult Services (Arizona SHIP) at **602-542-4446** or **1-800-432-4040**. SHIP contact information is available in Chapter 2, Section 3.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate. The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.

How can you contact this organization?

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.)

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the *Notice of Medicare Non-Coverage*.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact the Quality Improvement Organization using the contact information on the

Notice of Medicare Non-coverage. The name, address, and phone number of the Quality Improvement Organization for your state may also be found in Chapter 2.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term:

Detailed Explanation of Non-Coverage. Notice that gives details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.
- By the end of the day the reviewers tell us of your appeal, you'll get the *Detailed Explanation of Non-Coverage* from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need; the reviewers will tell you it's decision.

What happens if the reviewers say yes?

- If the reviewers say *yes* to your appeal, then **we must keep providing your covered service for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say *no*, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, **you'll have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say *no* to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Section 9.3 How to make a Level 2 appeal to have our plan cover your care for a longer time

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You could ask for this review only if you continued getting care after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you it's decision.

What happens if the independent review organization says yes?

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the independent review organization says no?

- It means they agree with the decision made to your Level 1 appeal.

- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.

- There are 3 additional levels of appeal after Level 2 (for a total of 5 levels of appeal). If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 of this chapter talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 10 Taking your appeal to Levels 3, 4 and 5

Section 10.1 Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge or an attorney adjudicator** who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process *may* or *may not* be over**. Unlike a decision at Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal it will go to a Level 4 appeal.
    - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.

  - If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.

- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may* or *may not* be over**.
  - If you decide to accept the decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process *may* or *may not* be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that's favorable to you. We'll decide whether to appeal this decision to Level 5.
  - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.
  - If we decide to appeal the decision, we'll let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over**.
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 10.2 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go to additional levels of appeal. If the dollar amount is less, you can't appeal any further. The written response you get to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An Administrative Law Judge or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over**. We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge or attorney adjudicator **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may* or *may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get

will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Making complaints

SECTION 11 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 11.1 What kinds of problems are handled by the complaint process?

The complaint process is *only* used for certain types of problems. This includes problems about quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	• Are you unhappy with the quality of the care you got (including care in the hospital)?
Respecting your privacy	• Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service, or other negative behaviors	• Has someone been rude or disrespectful to you? • Are you unhappy with our Member Services? • Do you feel you're being encouraged to leave our plan?
Waiting times	• Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Member Services or other staff at our plan? ○ Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	• Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?

Complaint	Example
Information you get from us	• Did we fail to give you a required notice? • Is our written information hard to understand?
Timeliness (These types of complaints are all about the *timeliness* of our actions related to coverage decisions and appeals)	If you asked for a coverage decision or made an appeal, and you think we aren't responding quickly enough, you can make a complaint about our slowness. Here are examples: • You asked us for a *fast coverage decision* or a *fast appeal*, and we said no; you can make a complaint. • You believe we aren't meeting the deadlines for coverage decisions or appeals; you can make a complaint. • You believe we aren't meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint. • You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 11.2 How to make a complaint

Legal Terms:

A **complaint** is also called a **grievance**.

Making a complaint is called **filing a grievance**.

Using the process for complaints is called **using the process for filing a grievance**.

A **fast complaint** is called an **expedited grievance**.

Step 1: Contact us promptly – either by phone or in writing.

- **Calling Member Services at 602-586-1730 or 1-877-436-5288 (TTY users call 711) is usually the first step.** If there's anything else you need to do, Member Services will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we'll respond to your complaint in writing.
- If you file a written complaint, we will respond to you in writing within 30 days of receiving of your complaint. If your complaint involves a quality-of-care issue we must respond to you in writing, even if you called us to file your complaint. You have a right to request a "fast" complaint if we denied you for a "fast coverage decision" or a "fast

appeal. When you request a "fast" complaint, we must respond to you with 24 hours of receiving your complaint.

If you ask for a written response, file a written grievance or your complaint is related to quality of care, we will respond to you in writing.

If we cannot resolve your complaint over the phone, we will respond to your complaint within 30 calendar days.

- The **deadline** for making a complaint is 60 calendar days from the time you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.
- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you **an answer within 24 hours**.
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

Section 11.3 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about *quality of care*, you have 2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization**. The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time**.

Section 11.4 You can also tell Medicare about your complaint

You can submit a complaint about Mercy Care Advantage directly to Medicare. To submit a complaint to Medicare, go to **www.Medicare.gov/my/medicare-complaint**. You can also call **1-800-MEDICARE** (**1-800-633-4227**). TTY/TDD users call **1-877-486-2048**.

Problems about your Medicaid benefits

SECTION 12 Handling problems about your Medicaid benefits

Grievances and appeals for Title 19/21 AHCCCS eligible members

APPEALS

If you disagree with our decision described in the Notice of Adverse Benefit Determination letter, you have the right to request an appeal. An appeal is a formal procedure asking us to review the request again and confirm if our original decision was correct. During this process, you may submit additional supporting documents or information that you believe would support a different outcome and decision.

You, your representative, or a provider acting with your written permission, may request an appeal with us. If you need help filing your appeal, have a hearing impairment, need an interpreter or would like the information provided in an alternate format or language, please call Mercy Care Member Services Monday through Friday, 7 a.m. to 6 p.m. at **602-263-3000** or **1-800-624-3879** (TTY/TDD **711**). If you decide to file an appeal, it must be submitted within 60 calendar days from the date on your Notice of Adverse Benefit Determination letter. The appeal may be submitted in writing or by telephone. We will not retaliate against you or your provider for filing an appeal.

To file an appeal, you must mail, call or fax the request using the following:

Mercy Care
Grievance System Department
4750 S. 44th Place, Suite 150
Phoenix, AZ 85040
Phone: **602-586-1719** or **1-866-386-5794**
Fax: **602-351-2300**

Request for Standard Appeal
When we get your appeal, we will send you a letter within five (5) business days. This letter will let you know that we got your appeal and how you can give us more information. If you

are appealing services that you want to continue while your case is reviewed, you must file your appeal no later than 10 calendar days from the date on the Notice of Adverse Benefit Determination letter.

In most cases, we will resolve your appeal within 30 calendar days. Sometimes, we might need more information to make a decision. When this occurs and we believe it is in your best interest, we will request an extension on your appeal. An extension allows an additional 14 calendar days to complete our review and make a decision. If we ask for an extension, we will mail you a written notice explaining this and tell you what information we still need. If we ask for an extension, you may file a member grievance. The letter will explain your rights and how to submit a complaint. If we don't receive the additional information within this time frame, we may deny the appeal. You may also request a 14 calendar day extension if you need more time to gather information for the appeal.

Once we have completed the review of your appeal, we will send you a letter with our decision. The letter tells you about our decision and explains how it was made. If we deny your appeal, you may request that AHCCCS look at our decision through a State Fair Hearing. You can request this next step by following the directions we provide in the decision letter. You have 90 days from the date on the appeal denial letter to request a State Fair Hearing.

If you request a State Fair Hearing, you will receive information from AHCCCS about what to do. We will forward your appeal file and related documentation to AHCCCS at the Office of Administrative Legal Services.

After the State Fair Hearing, AHCCCS will make a decision. If they find that our decision to deny your appeal was correct, you may be responsible for payment of the services you received while your appeal was being reviewed. If AHCCCS decides that our decision on your appeal was incorrect, we will authorize and provide the services promptly.

Request for expedited resolution
You or your representative can request an expedited resolution to your appeal if you believe that the time frame of a standard resolution might jeopardize your life, health or ability to attain, maintain or regain maximum function. We may ask you to send us supporting documentation from your provider. If your provider agrees, we will expedite the resolution of your appeal. We will also automatically expedite the resolution of your appeal if we believe following the standard resolution process could jeopardize your life or health.

If we decide not to expedite the resolution of your appeal, we will notify you promptly. We will attempt to call you and will mail you a written notice within two (2) calendar days that explains this outcome. For more information, please see "Request for Standard Appeal" in the Mercy Care handbook. If we change the urgency of your appeal from expedited to standard,

you may file a member grievance. We will explain this when we call you. We will include information about how to file a member grievance in the letter we mail to you.

When we expedite the resolution of your appeal, we will resolve your appeal within 72 hours. Sometimes, we may need more information to make a decision. When this occurs and we believe it is in your best interest, we will request extension on your appeal. An extension allows an additional 14 calendar days to complete our review and make a decision. If we ask for an extension, we will mail you a written notice explaining this and tell you what information we need. If we don't receive the additional information within this time frame, we may deny the appeal. You may also request a 14-calendar day extension if you need more time to gather information for the appeal.

Once we have completed the review of your appeal, we will send you a letter with our decision. The letter tells you our decision and explains how it was made. If we deny your appeal, you may request for AHCCCS to review our decision through a State Fair Hearing. You can request this next step by following the directions we provide in the decision letter. You have 90 days from the date on the appeal denial letter to request a State Fair Hearing.

If you request a State Fair Hearing, you will receive information from AHCCCS about what to do. We will forward your appeal file and related documentation to AHCCCS at the Office of Administrative Legal Services.

After the State Fair Hearing, AHCCCS will make a decision. If they find that our decision to deny your appeal was correct, you may be responsible for payment of the services you received while your appeal was being reviewed. If AHCCCS decides that our decision on your appeal was incorrect, we will authorize and provide the services promptly.

Quick tips about denial, reduction, suspension or termination of services and appeals
- You will get a letter (Notice of Adverse Benefit Determination) when a service has been denied or changed.
- If you want to ask for a review (appeal) of Mercy Care's action, follow the directions in your notification letter.
- To request that services be continued, you must file your appeal no later than 10 days from the date of your notification letter, or within the time frame listed in the notification letter.

If the Notice of Adverse Benefit Determination letter does not fully address your concerns, you can contact AHCCCS Medical Management at **MedicalManagement@azahcccs.gov**.

Appeals for Title 19/21 AHCCCS eligible members
If you are Title 19/21 AHCCCS eligible, you have the right to ask for a review of the following actions:

- The denial or limited approval of a service asked for by your provider or clinical team
- The reduction, suspension, or termination of a service that you were receiving
- The denial, in whole or part, of payment for a service
- The failure to provide services in a timely manner
- The failure to act within time frames for resolving an appeal or complaint
- The denial of a request for services outside of the provider network when services are not available within the provider network

What happens after I file an appeal?
As part of the appeal process, you have the right to give evidence that supports your appeal. You can provide the evidence to Mercy Care in person or in writing. In order to prepare for your appeal, you may examine your case file, medical records, and other documents and records that may be used before and during the appeal process, as long as the documents are not protected from disclosure by law. If you would like to review these documents, contact your provider or Mercy Care. The evidence you give to Mercy Care will be used when deciding the resolution of the appeal. You can contact Mercy Care Grievance System Department at **602-586-1719** or **866-386-5794** (TTY/TDD **711**).

How is my appeal resolved?
Mercy Care must give you a decision, called a Notice of Appeal Resolution, in person or by certified mail within 30 calendar days of getting your appeal for standard appeals, or, for expedited appeals, no later than 72 hours. The Notice of Appeal Resolution is a written letter that tells you the results of your appeal.

The time frames in which Mercy Care must give you the Notice of Appeal Resolution may be extended up to 14 calendar days. You or Mercy Care can ask for more time in order to gather more information. If Mercy Care asks for more time, you will be given written notice of the reason for the delay.

The Notice of Appeal Resolution will tell you:
- The results of the appeal process
- The date the appeal process was completed

If your appeal was denied, in whole or in part, then the Notice of Appeal Resolution will also tell you:
- How you can ask for a State Fair Hearing
- How to ask that services continue during the State Fair Hearing process, if applicable
- The reason why your appeal was denied and the legal basis for the decision to deny your appeal
- That you may have to pay for the services you get during the State Fair Hearing process if your appeal is denied at the State Fair Hearing

What can I do if I am not happy with my appeal results?
You can ask for a State Fair Hearing if you are not happy with the results of an appeal. If your appeal was expedited, you can ask for an expedited State Fair Hearing. You have the right to have a representative of your choice assist you at the State Fair Hearing.
How do I ask for a State Fair Hearing?
You must ask for a State Fair Hearing in writing within 90 days of getting the Notice of Appeal Resolution. This includes both standard and expedited requests for a State Fair Hearing. Requests for State Fair Hearings for decisions issued by Mercy Care should be mailed to:

Mercy Care
Grievance System Department
4750 S. 44th Place, Suite 150
Phoenix, AZ 85040

Instructions for appealing a decision issued by AHCCCS will be contained in the Notice of Appeal Resolution.

What is the process for my State Fair Hearing?
You will receive a Notice of State Fair Hearing at least 30 calendar days before your hearing is scheduled. The Notice of State Fair Hearing is a written letter that will tell you:

- The time, place and nature of the hearing
- The reason for the hearing
- The legal and jurisdictional authority that requires the hearing
- The specific laws that are related to the hearing

How is my State Fair Hearing resolved?
For standard State Fair Hearings, you will receive a written AHCCCS Director's Decision no later than 90 days after your appeal was first filed. This 90-day period does not include:

- Any time frame extensions that you have requested
- The number of days between the date that you received the Notice of Appeal Resolution and the date your request for a State Fair Hearing was submitted

The AHCCCS Director's Decision will tell you the outcome of the State Fair Hearing and the final decision about your services.

For expedited State Fair Hearings, you will receive a written AHCCCS Director's Decision within 3 business days after the date that AHCCCS receives your case file and appeal information from Mercy Care. AHCCCS will also try to call you to notify you of the AHCCCS Director's Decision.

Will my services continue during the Appeal/State Fair Hearing process?
You may ask that the services you were already getting continue during the appeal process or the State Fair Hearing process. If you want to keep getting the same services, you must ask for your services to be continued in writing. If the result of the appeal or State Fair Hearing is to agree with the action to either end or reduce your services, you may have to pay for the services received during the appeal or State Fair Hearing process.

Appeals for members determined to have a serious mental illness (SMI)
A serious mental illness (SMI) is a mental disorder in persons 18 years of age or older that is severe and persistent. Solari, a provider that has a contract with Mercy Care, will make a determination of serious mental illness upon referral or request. Members asking for a determination of serious mental illness and members who have been determined to have a serious mental illness can appeal the result of a serious mental illness determination.

Solari will send you a letter by mail to let you know the final decision on your SMI determination. This letter is called a Notice of Decision. The letter will include information about your rights and how to appeal the decision. If you do not agree with the results of the SMI eligibility determination you may file an appeal. To file an appeal, you can call Solari at **1-855-832-2866**.

Members determined to have a serious mental illness may also appeal the following adverse decisions:

- Initial eligibility for SMI services
- A decision regarding fees or waivers
- The assessment report, and recommended services in the service plan or individual treatment or discharge plan
- The denial, reduction, suspension or termination of any service that is a covered service funded through Non-Title 19/21 funds
- Capacity to make decisions, need for guardianship or other protective services, or need for special assistance
- A decision is made that the member is no longer eligible for SMI services
- A PASRR determination in the context of either a preadmission screening or an annual resident review, which adversely affects the member

To file an appeal, you must call or send a letter to:

Mercy Care
Grievance System Department
4750 S. 44th Place, Suite 150
Phoenix, AZ 85040
602-586-1719 or **1-866-386-5794**
Fax: **602-351-2300**

If you file an appeal[1], you will get written notice that your appeal was received within 5 business days of Mercy Care's receipt. You will have an informal conference with Mercy Care within 7 business days of filing the appeal.

The informal conference must happen at a time and place that is convenient for you. You have the right to have a designated representative of your choice assist you at the conference. You and any other participants will be informed of the time and location of the conference in writing at least two working days before the conference. You can participate in the conference over the telephone.

For an appeal that needs to be expedited, you will get written notice that your appeal was received within 1 business day of Mercy Care's receipt, and the informal conference must occur within 2 business days of filing the appeal.

If the appeal is resolved to your satisfaction at the informal conference, you will get a written notice that describes the reason for the appeal, the issues involved, the resolution achieved and the date that the resolution will be implemented.

If there is no resolution of the appeal during this informal conference, the next step is a second level informal conference with AHCCCS. You may waive the second level informal conference and proceed to a State Fair Hearing, however. If you waive the second level informal conference with AHCCCS, Mercy Care will assist you in filing a request for State Fair Hearing at the conclusion of the Mercy Care informal conference.

If there is no resolution of the appeal during the second level informal conference with AHCCCS, you will be given information that will tell you how to get a State Fair Hearing. The Office of Grievance and Appeals at AHCCCS handles requests for State Fair Hearings upon the conclusion of second level informal conferences.

If you file an appeal, you will continue to get any services you were already getting unless:

- A qualified clinician decides that reducing or terminating services is best for you,
- Or, you agree in writing to reducing or terminating services.

If the appeal is not decided in your favor, Mercy Care may require you to pay for the services you received during the appeal process.

If you or your representative still do not understand the Notice of Adverse Benefit Determination letter, you have the right to contact AHCCCS Medical Management at **MedicalManagement@azahcccs.gov**.

[1]Persons determined to have a serious mental illness cannot appeal a decision to deny, suspend or terminate services that are no longer available due to a reduction in State funding.

MEMBER GRIEVANCES

A member grievance is any expression of dissatisfaction related to the delivery of your health care services that is not defined as an appeal. A member grievance is also called a complaint. You may have a concern with a doctor or felt that office staff treated you poorly. You may have received a bill from your specialist or had difficulty reaching the transportation company for your ride home. A member grievance might include concerns with the quality of the medical care you received. Please let us know if you have a concern like this or need help with another problem.

The fastest way to report a member grievance is to call Mercy Care Grievance Systems Department Monday through Friday 8 a.m. to 5 p.m. at **602-586-1719** or **1-866-386-5794** (TTY/TDD **711**). You may also contact Member Services if you need help filing your member grievance, have a hearing impairment, need an interpreter or would like the information provided in an alternate format or language. A representative will document your member grievance. It is important to provide as much detail as possible. The representative will explain the member grievance resolution process and answer any other questions you may have. We may also need to call you back to provide updates or ask you for more information. We want to ensure that you are receiving the care and services you need.

If you prefer to file your member grievance in writing, please send your complaint to:

Mercy Care
Grievance System Department
4750 S. 44th Place, Suite 150
Phoenix, AZ 85040

Filing a member grievance will not affect your future health care or the availability of services. We want to know about your concerns so we can improve the services we offer.

- When you call to report a member grievance, we will try to help resolve any concerns you have right away.
- If your member grievance involves concerns about the quality of care or medical treatment you received, we will send the case to our Quality Management department.
- When we cannot resolve your member grievance right away, we will let you know and explain the next steps. During our investigation of your concerns, we will work with other departments at Mercy Care as well as your health care provider(s).

- During our investigation, we may need to speak with you again. We may have more questions or we may want to confirm that your immediate needs are met.
- Once the review of your member grievance is complete, we will notify you of the resolution.
- If your member grievance was reviewed by our Quality Management department, you will get the resolution in writing from them.
- For other cases, we will call you and explain the resolution to your member grievance. If we are unable to reach you, we will send the resolution in writing.
- We are committed to resolving your concerns as quickly as possible and in no more than 90 days from the date you submitted your member grievance.

Arizona Health Care Cost Containment System (AHCCCS) is committed to ensuring the availability of timely, quality behavioral health care. If you continue to have questions or difficulties accessing services, please call AHCCCS Clinical Resolution Team at **602-364-4558** or **1-800-867-5808**.You also may submit concerns about quality of care by email at **CQM@azahcccs.gov**.

Grievance/Request for Investigation for members determined to have a serious mental illness (SMI)

A member who is determined to have a serious mental illness (SMI) is entitled to extensive rights, including, but not limited to:

- The right to be free from mistreatment and abuse.
- The right to a written service plan that may include case management, crisis services, peer support, family support, medication and inpatient/outpatient services.
- The right to consent or refuse treatment unless under a court order or guardianship.
- The right to review the medical records unless a physician determines it is not in the member's best interest.

An SMI grievance is a request to investigate whether a member had his or her rights violated. This request can be filed by anyone but must be submitted within 12 months from the date of the incident. It is important to provide all details such as events, names of individuals involved, titles, agencies and dates. It is also important to focus on the facts and include the resolution you want. You may request an SMI grievance orally by contacting Mercy Care. If you would like to submit an SMI grievance in writing, please mail your request to Mercy Care at the address shown in this section.

If you need help writing your grievance, contact your behavioral health provider or the AHCCCS Office of Human Rights (OHR), at **602-364-4585** (Phoenix), **520-770-3100** (Tucson) or **928-214-8231** (Flagstaff). If you need documents, such as medical records or individual service plans, to support your grievance, you have the right to request these records.

Grievances concerning physical abuse, sexual abuse or a person's death are investigated by AHCCCS. To file a grievance concerning physical abuse, sexual abuse or a person's death, contact:

AHCCCS Office of Grievance and Appeals
801 E. Jefferson
MD 6200
Phoenix, AZ 85034
Phone: **602-364-4575**
Fax: **602-364-4591**

Deaf or hard of hearing individuals may call the Arizona Relay Service at **711** or **1-800-367-8939** for help contacting AHCCCS.

If you file an SMI grievance/request for Investigation, the quality of your care will not suffer.

Arizona Health Care Cost Containment System (AHCCCS) is committed to ensuring the availability of timely, quality behavioral health care. If you continue to have questions or difficulties accessing services, please call AHCCCS Clinical Resolution Team at **602-364-4558** or **1-800-867-5808**. You may also submit concerns about quality of care by email at **CQM@azahcccs.gov**.

If you disagree with our decision, you have the right to ask for an administrative appeal of this decision. An administrative appeal is a request you may file with AHCCCS saying you do not agree with this decision.

An administrative appeal request must be filed in writing with AHCCCS at the address below. The request must be filed in writing within thirty (30) days from the date you receive this letter and must state the reason you do not agree with our decision. A copy of this request must be sent to our offices as well.

AHCCCS, Behavioral Health Grievances and Appeals
801 E. Jefferson Street, Mail Drop 6200
Phoenix, Arizona 85034

Mercy Care
Grievance System Department
4750 S. 44th Place, Suite 150
Phoenix, AZ 85040

If you need help or legal advice with filing an administrative appeal, you may call the Arizona Center for Disability Law at **602-274-6287** or toll free at **800-927-2260** or the Office of Human

Rights at **602-364-4585** or toll free at **800-421-2124**. They will review your request to see if they can offer you help.

CHAPTER 10: Ending membership in our plan

SECTION 1 Ending your membership in our plan

Ending your membership in Mercy Care Advantage may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and prescription drugs, and you'll continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1 You may be able to end your membership because you have Medicare and Medicaid

Most people with Medicare can end their membership only during certain times of the year. Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare *with* a separate Medicare prescription drug plan,
- Original Medicare *without* a separate Medicare prescription drug plan (If you choose this option and receive Extra Help, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for a continuous period of 63 days or more, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- Call your State Medicaid Office (AHCCCS) at **602-417-4000** or **1-800-654-8713** to learn about your Medicaid plan options.

- Other Medicare health plan options are available during the **Open Enrollment Period**. Section 2.2 tells you more about the Open Enrollment Period.
- **Your membership will usually end on the first day of the month after we get your request to change your plans.** Your enrollment in your new plan will also begin on this day.

Section 2.2 You can end your membership during the Open Enrollment Period

You can end your membership during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- The **Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
    - Another Medicare health plan, with or without drug coverage.
    - Original Medicare *with* a separate Medicare drug plan
    - Original Medicare *without* a separate Medicare drug plan.
    - If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

You get Extra Help from Medicare to pay for your prescription drugs: If you switch to Original Medicare and don't enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you've opted out of automatic enrollment.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

Section 2.3 You can end your membership during the Medicare Advantage Open Enrollment Period

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period** each year.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the Medicare Advantage Open Enrollment Period** you can:
    - Switch to another Medicare Advantage Plan with or without drug coverage.
    - Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan, or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

Section 2.4 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, you may be eligible to end your membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples. For the full list you can contact our plan, call Medicare, or visit **www.Medicare.gov**.

- Usually, when you move
- If you have AHCCCS (Medicaid)
- If you're eligible for Extra Help paying for your Medicare drug coverage
- If we violate our contract with you
- If you're getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- **Note:** If you're in a drug management program, you may only be eligible for certain Special Enrollment Periods. Chapter 5, Section 10 tells you more about drug management programs.
- **Note:** Section 2.1 tells you more about the special enrollment period for people with Medicaid.

Enrollment time periods vary depending on your situation.

To find out if you're eligible for a Special Enrollment Period, call Medicare **at 1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**. If you're eligible to end your

membership because of a special situation, you can choose to change both your Medicare health coverage and drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage,
- Original Medicare *with* a separate Medicare drug plan,
- Original Medicare *without* a separate Medicare drug plan.
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

If you get Extra Help from Medicare to pay for your drug coverage drugs: If you switch to Original Medicare and don't enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you opt out of automatic enrollment.

Your membership will usually end on the first day of the month after your request to change our plan.

Note: Sections 2.1 and 2.2 tell you more about the special enrollment period for people with Medicaid and Extra Help.

Section 2.5 Get more information about when you can end your membership

If you have questions about ending your membership you can:

- **Call Member Services at 602-586-1730** or **1-877-436-5288** (TTY users call **711**) Find the information in the ***Medicare & You 2026*** handbook
- Call **Medicare** at **1-800-MEDICARE** (**1-800-633-4227**) (TTY users call **1-877-486-2048**)

SECTION 3 How to end your membership in our plan

The table below explains how you can end your membership in our plan.

To switch from our plan to:	Here's what to do:
Another Medicare health plan	• Enroll in the new Medicare health plan. • You'll automatically be disenrolled from Mercy Care Advantage when your new plan's coverage starts.

Original Medicare *with* a separate Medicare drug plan	• Enroll in the new Medicare drug plan. • You'll automatically be disenrolled from Mercy Care Advantage when your new drug plan's coverage starts.
Original Medicare *without* a separate Medicare drug plan	• **Send us a written request to disenroll.** Call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) if you need more information on how to do this. • You can also call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users call 1-877-486-2048. • You'll be disenrolled from Mercy Care Advantage when your coverage in Original Medicare starts.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

For questions about your AHCCCS (Medicaid) benefits, call **602-417-4000** or **1-800-654-8713**, (TTY **1-800-367-8939**), 8:00 a.m. – 5:00 p.m., Monday – Friday (except state holidays). You can also call the Arizona State Health Insurance Assistance Program (SHIP) at **602-542-4446** or **1-800-432-4040**. In Arizona, the SHIP is called Department of Economic Security, Division of Aging and Adult Services. Ask how joining another plan or returning to Original Medicare affects how you get your AHCCCS (Medicaid) coverage.

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership ends, and your new Medicare coverage starts, you must continue to get your medical items, services and prescription drugs through our plan.

- **Continue to use our network providers to get medical care.**
- **Continue to use our network pharmacies or mail order to get your prescriptions filled.**
- **If you're hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you're discharged** (even if you're discharged after your new health coverage starts).

SECTION 5 Mercy Care Advantage must end our plan membership in certain situations

Mercy Care Advantage must end your membership in our plan if any of the following happen:

- If you no longer have Medicare Part A and Part B
- If you're no longer eligible for AHCCCS (Medicaid). As stated in Chapter 1, Section 2.1, our plan is for people who are eligible for both Medicare and AHCCCS (Medicaid). If you lose your AHCCCS (Medicaid), your coverage with Mercy Care Advantage will end 2 months after your AHCCCS (Medicaid) termination date if you do not regain eligibility for AHCCCS (Medicaid) coverage.
- If you move out of our service area
    - If you are away from our service area for more than six months. If you plan to travel outside our plan's service area for an extended time your benefit coverage is limited. Please call Member Services to get information about your coverage while out of area. If you move or take a long trip, call Member Services to find out if the place you are moving or traveling to is in our plan's area.
- If you're away from our service area for more than 6 months
    - If you move or take a long trip, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) to find out if the place you're moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison)
- If you're no longer a United States citizen or lawfully present in the United States
- If you lie or withhold information about other insurance, you have that provides drug coverage
- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
    - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan.

If you have questions or want more information on when we can end your membership, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**).

Section 5.1 We can't ask you to leave our plan for any health-related reason

Mercy Care Advantage isn't allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel you're being asked to leave our plan because of a health-related reason, call Medicare at **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**.

Section 5.2 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11: Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at **1-800-368-1019** (TTY **1-800-537-7697**) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at **www.HHS.gov/ocr/index.html**.

If you have a disability and need help with access to care, call Member Services at **602-586-1730** or **1-877-436-5288** (TTY users call **711**) . If you have a complaint, such as a problem with wheelchair access, Member Services can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Mercy Care Advantage, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

Enrollee liability: Enrollees will not be held liable for payment of any fees that are the legal obligation of Mercy Care Advantage.

In some situations, other parties should pay for your medical care before your Medicare Advantage (MA) health plan. In those situations, your Medicare Advantage plan may pay, but have the right to get the payments back from these other parties. Medicare Advantage plans may not be the primary payer for medical care you receive. These situations include those in which the Federal Medicare Program is considered a secondary payer under the Medicare Secondary Payer laws. For information on the Federal Medicare Secondary Payer program, Medicare has written a booklet with general information about what happens when people with Medicare have additional insurance. It's called Medicare and Other Health Benefits: Your Guide to Who Pays First (publication number 02179). You can get a copy by calling **1-800-MEDICARE**, 24 hours a day, 7 days a week, or by visiting the **http://www.medicare.gov** website.

The plan's rights to recover in these situations are based on the terms of this health plan contract, as well as the provisions of the federal statutes governing the Medicare Program. Your MA plan coverage is always secondary to any payment made or reasonably expected to be made under:

- A workers compensation law or plan of the United States or a State,
- Any non-fault based insurance, including automobile and non-automobile no-fault and medical payments insurance,
- Any liability insurance policy or plan (including a self-insured plan) issued under an automobile or other type of policy or coverage, and
- Any automobile insurance policy or plan (including a self-insured plan), including, but not limited to, uninsured and underinsured motorist coverages.

Since your MA plan is always secondary to any automobile no-fault (Personal Injury Protection) or medical payments coverage, you should review your automobile insurance policies to ensure that appropriate policy provisions have been selected to make your automobile coverage primary for your medical treatment arising from an automobile accident.

As outlined herein, in these situations, your MA plan may make payments on your behalf for this medical care, subject to the conditions set forth in this provision for the plan to recover these payments from you or from other parties. Immediately upon making any conditional payment, your MA plan shall be subrogated to (stand in the place of) all rights of recovery you have against any person, entity or insurer responsible for causing your injury, illness or condition or against any person, entity or insurer listed as a primary payer above.

In addition, if you receive payment from any person, entity or insurer responsible for causing your injury, illness or condition or you receive payment from any person, entity or insurer listed as a primary payer above, your MA plan has the right to recover from, and be reimbursed by you for all conditional payments the plan has made or will make as a result of that injury, illness or condition.

Your MA plan will automatically have a lien, to the extent of benefits it paid for the treatment of the injury, illness or condition, upon any recovery whether by settlement, judgment or otherwise. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the Plan including, but not limited to, you, your representatives or agents, any person, entity or insurer responsible for causing your injury, illness or condition or any person, entity or insurer listed as a primary payer above.

2025 Evidence of Coverage for Mercy Care Advantage 198

Chapter 11 Legal notices

By accepting benefits (whether the payment of such benefits is made to you or made on your behalf to any health care provider) from your MA plan, you acknowledge that the plan's recovery rights are a first priority claim and are to be paid to the plan before any other claim for your damages. The plan shall be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the plan will result in a recovery to you which is insufficient to make you whole or to compensate you in part or in whole for the damages you sustained.

Your MA plan is not required to participate in or pay court costs or attorney fees to any attorney you hire to pursue your damage claims. Your MA plan is entitled to full recovery regardless of whether any liability for payment is admitted by any person, entity or insurer responsible for causing your injury, illness or condition or by any person, entity or insurer listed as a primary payer above. The plan is entitled to full recovery regardless of whether the settlement or judgment you receive identifies the medical benefits the plan provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The MA plan is entitled to recover from any and all settlements or judgments, even those designated as for pain and suffering, non-economic damages and/or general damages only.

You, and your legal representatives, shall fully cooperate with the plan's efforts to recover its benefits paid. It is your duty to notify the plan within 30 days of the date when notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness or condition. You and your agents or representatives shall provide all information requested by the plan or its representatives. You shall do nothing to prejudice your MA plan's subrogation

or recovery interest or to prejudice the plan's ability to enforce the terms of this provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the plan.

Failure to provide requested information or failure to assist your MA plan in pursuit of its subrogation or recovery rights may result in you being personally responsible for reimbursing the plan for benefits paid relating to the injury, illness or condition as well as for the plan's reasonable attorney fees and costs incurred in obtaining reimbursement from you. For more information, see 42 U.S.C. § 1395y(b)(2)(A)(ii) and the Medicare statutes.

CHAPTER 12: Definitions

AHCCCS – (Arizona Health Care Cost Containment System) is the state agency that manages the Medicaid program in Arizona using Federal and state funds. AHCCCS contracts with managed care health plans and program contractors to deliver medical and long-term care services to eligible members.

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center doesn't exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already got. You may also make an appeal if you disagree with our decision to stop services that you're getting.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than our plan's allowed cost-sharing amount. As a member of Mercy Care Advantage, you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We don't allow providers to **balance bill** or otherwise charge you more than the amount of cost sharing our plan says you must pay.

Benefit Period – The way that both our plan and Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There's no limit to the number of benefit periods.

Biological Product – A prescription drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (go to "**Original Biological Product**" and "**Biosimilar**").

Biosimilar – A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (go to "**Interchangeable Biosimilar**").

Brand Name Drug – A prescription drug that's manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent $2,100 for Part D covered drugs during the covered year. During this payment stage, you pay nothing for your covered Part D drugs.

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare.

Chronic-Care Special Needs Plan (C-SNP) – C-SNPs are SNPs that restrict enrollment to MA eligible people who have specific severe and chronic diseases.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Complaint — The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example $10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are gotten. Cost sharing includes any combination of the following 3 types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service or drug that a plan requires when a specific service or drug is received.

Coverage Determination – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you're required to pay for the prescription. In general, if you

bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under our plan, that isn't a coverage determination. You need to call or write to our plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Covered Drugs – The term we use to mean all the drugs covered by our plan.

Covered Services – The term we use to mean all the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that's expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don't need skilled medical care or skilled nursing care. Custodial care, provided by people who don't have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Daily cost-sharing rate – A daily cost-sharing rate may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is $30, and a one-month's supply in our plan is 30 days, then your daily cost-sharing rate is $1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan pays.

Disenroll or **Disenrollment** – The process of ending your membership in our plan.

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist's time to prepare and package the prescription.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some or all Medicare costs, depending on the state and the person's eligibility.

Dually Eligible Individual – A person who is eligible for Medicare and Medicaid coverage.

Durable Medical Equipment (DME) – Certain medical equipment that's ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that isn't on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also ask for an exception if our plan requires you to try another drug before getting the drug you're asking for, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you're asking for (a formulary exception).

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Generic Drug – A prescription drug that's approved by the FDA as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

Grievance – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This doesn't involve coverage or payment disputes.

Home Health Aide – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums, you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Income Related Monthly Adjustment Amount (IRMAA) –If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you're first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Integrated D-SNP – A D-SNP that covers Medicare and most or all Medicaid services under a single health plan for certain groups of people eligible for both Medicare and Medicaid. These people are also known as full-benefit dually eligible people.

Institutional Special Needs Plan (I-SNP) – I-SNPs restrict enrollment to MA eligible people who live in the community but need the level of care a facility offers, or who live (or are expected to live) for at least 90 days straight in certain long-term facilities. I-SNPs include the following types of plans: Institutional-equivalent SNPs (IE-SNPs) Hybrid Institutional SNPs (HI-SNPs), and Facility-based Institutional SNPs (FI-SNPs).

Institutional-Equivalent Special Needs Plan (IE-SNP) – An IE-SNP restricts enrollment to MA eligible people who live in the community but need the level of care a facility offers.

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (formulary or Drug List) – A list of prescription drugs covered by our plan.

Low Income Subsidy (LIS) – Go to Extra Help.

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the federal government and drug manufacturers.

Maximum Fair Price – The price Medicare negotiated for a selected drug.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for covered Part A and Part B services. Amounts you pay for our plan premiums, Medicare Part A and Part B premiums, and prescription drugs don't count toward the maximum out-of-pocket amount. In addition to the maximum out-of-pocket amount for covered Part A and Part B medical services, we also have a maximum out-of-pocket amount for certain types of services. If you're eligible for Medicare cost-sharing assistance under Medicaid, you aren't responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. (**Note:** Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum.)

Medicaid (or Medical Assistance) – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication – A use of a drug that's either approved by the FDA or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel its plan enrollment and switch to another Medicare Advantage plan or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug coverage**.

Medicare Cost Plan – A Medicare Cost Plan is a plan operated by a Health Maintenance Organization (HMO) or Competitive Medical Plan (CMP) in accordance with a cost-reimbursed contract under section 1876(h) of the Act.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Drug coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medication Therapy Management (MTM) program – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage plan isn't a Medigap policy.)

Member (member of our plan, or plan member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Member Services – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Network Pharmacy –A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they're filled at one of our network pharmacies.

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Open Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

Original Biological Product – A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (**Traditional Medicare or Fee-for-Service Medicare**) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Pharmacy – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies aren't covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

Out-of-Pocket Costs – Go to the definition for cost sharing above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's out-of-pocket cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

Part C – Go to Medicare Advantage (MA) plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded from Part D coverage by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly plan premium for Medicare drug coverage if you go without creditable coverage (coverage that's expected to pay, on average, at least as much as standard Medicare drug coverage) for a continuous period of 63 days or more after you're first eligible to join a Part D plan. If you lose Extra Help, you may be subject to the late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Preferred Provider Organization (PPO) plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they're received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Preventive services – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary Care Provider (PCP) –The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization –Approval in advance to get services or certain drugs based on specific criteria. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria are posted on our website.

Prosthetics and Orthotics –Medical devices including, but not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

Quantity Limits – A management tool that's designed to limit the use of a drug for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

"Real-Time Benefit Tool" – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Referral – A written order from your primary care doctor for you to visit a specialist or get certain medical services. Without a referral, our plan may not pay for services from a specialist.

Rehabilitation Services – These services include inpatient rehabilitation care, physical therapy (outpatient), speech and language therapy, and occupational therapy.

Selected Drug – A drug covered under Part D for which Medicare negotiated a Maximum Fair Price.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where

you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan's service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Needs Plan – A special type of Medicare Advantage plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.
