Section 1 – Introduction

This directory provides a list of Mercy Care Advantage's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

If you did not select a PCP on your enrollment form, we will assign you a PCP near where you live. You may change your PCP at any time by calling Member Services. You can choose another PCP by using this directory, checking the website directory at **mercycareaz.org** or by calling Member Services. Once you have chosen a PCP, call Member Services, and let us know your choice.

Your PCP will make decisions regarding your health care. You will get routine or basic care from your PCP. Your PCP will also coordinate other covered services you need. For example if you need to see a specialist, your PCP will need to give you a referral. Your PCP will also get prior authorization from Mercy Care Advantage when needed for certain services. You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory, however, some services may require a referral.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Mercy Care Advantage will be responsible for the costs.

Getting Specialty Care

When your PCP thinks that you need specialized treatment, he or she will give you a "referral" (approval in advance) to see a network specialist. A specialist is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are: oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint, or muscle conditions.

It is very important to get a referral from your PCP before you see a specialist. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If a specialist needs to see you for more than one visit, check with your PCP to find out if these visits are included under your original referral. A new referral may be needed for the extra visits. If there are specific hospitals you like, ask your PCP if they use these hospitals. Certain health care services, such as hospitalization or outpatient surgery, require prior authorization with Mercy Care Advantage. This means the service must be approved by Mercy Care Advantage before it will be covered. Check your Evidence of Coverage for a complete list of services that require this type of approval. When you need services that require prior authorization, our network providers are responsible to get the prior authorization before you receive the service.

What should you do if you received a bill from an out-of-network provider that you think should be paid by Mercy Care Advantage?
If you had to get services from an out-of-network provider and you get a bill for the services, do not pay it. Send the bill to the address listed below for processing and include a statement explaining why you had to get services from an out-of-network provider.

Mercy Care Advantage
4750 44th Place, Suite 150
Phoenix, AZ 85040

If the claim is payable, we will pay the provider and you will be notified of any cost sharing responsibility. If you have already paid for the services, submit a copy of the bill and proof of payment to us for processing. If the claim is payable, you will be reimbursed for our share of the cost. If we deny the claim, you will be notified in writing and provided with your appeal rights. If you have questions about a bill you received, please call Member Services for assistance.

Appointment wait time standards for primary care and behavioral health services:

- Emergency or urgently needed services: Must be available immediately.
- Non-emergency but medically necessary services: Must be scheduled within 7 business days.
- Routine and preventive care: Must be scheduled within 30 business days.

Sección 1 – Introducción

Este directorio provee una lista de proveedores de la red de Mercy Care Advantage.

Usted tendrá que elegir a uno de nuestros proveedores de la red listados en este directorio para que sea su **P**roveedor de **C**uidado **P**rimario (PCP). Generalmente, usted debe obtener sus servicios para el cuidado de la salud de su PCP.

Si usted no selecciona a un PCP en su forma de inscripciones, nosotros le asignaremos a un PCP cerca de donde usted viva. Usted puede cambiar a su PCP en cualquier momento llamando a Servicios al Miembro. Usted puede elegir a otro PCP usando este directorio, revisando el directorio en el sitio web **mercycareaz.org** o llamando a Servicios al Miembro. Una vez que usted haya seleccionado a un PCP, llame a Servicios al Miembro, y déjenos saber cuál ha sido su elección.

Su PCP tomará decisiones con respecto al cuidado de su salud. Usted recibirá cuidado básico o de rutina de su PCP. Su PCP también coordinará el resto de los servicios cubiertos que usted necesite. Por ejemplo, si usted necesita ver a un especialista, su PCP necesitará darle a usted una referencia. Su PCP también obtendrá la autorización previa de Mercy Care Advantage cuando sea necesaria para ciertos servicios. Usted puede cambiar a su PCP por cualquier motivo, en cualquier momento. Además, es posible que su PCP deje la red de proveedores de nuestro plan y usted tendría qué encontrar a un PCP nuevo.

Los proveedores de la red mencionados en este directorio han acordado proveerle a usted servicios para el cuidado para la salud/dental/de la vista. Usted puede acudir a cualquiera de nuestros proveedores de la red listados en este directorio; sin embargo, algunos servicios pueden requerir una referencia.

Usted debe usar a los proveedores de la red, excepto en situaciones de emergencia o para atención urgente, o para diálisis renal u otros servicios fuera del área. Si usted obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Mercy Care Advantage serán responsables por los costos.

Obteniendo Atención de Especialidad

Cuando su PCP considere que usted necesita tratamiento especializado, él o ella le dará una "referencia" (aprobación por adelantado) para que usted vea a un especialista de la red. Un especialista es un doctor que provee servicios para el cuidado de la salud para una enfermedad específica o una parte del cuerpo. Algunos ejemplos de especialistas son: oncólogos, que tratan el cáncer; cardiólogos, que tratan condiciones del corazón; y ortopedistas, que tratan ciertas condiciones de los huesos, de las articulaciones o de los músculos.

Es muy importante obtener una referencia de su PCP antes de que usted vea a un especialista. Si usted no tiene una referencia antes de recibir servicios de un especialista, es posible que usted tenga que pagar por esos servicios por sí mismo/a. Si el especialista necesita volver a verle después de una visita, consulte a su PCP para informarse si dichas visitas están incluidas bajo su referencia original. Es posible que se necesite una referencia nueva para las visitas adicionales. Si hay hospitales específicos que usted desea usar, pregúntele a su PCP si ellos usan a dichos hospitales. Ciertos servicios para el cuidado de la salud, tales como hospitalización o cirugía como paciente externo, requieren autorización previa con Mercy Care Advantage.

Esto significa que el servicio debe ser aprobado por Mercy Care Advantage antes de que sea cubierto. Revise su Evidencia de Cobertura para una lista completa de servicios que requieren este tipo de aprobación. Cuando usted necesite servicios que requieran autorización previa, los proveedores de nuestra red son responsables por obtener la autorización previa antes de que usted reciba el servicio.

¿Qué servicios puede usted recibir por su propia cuenta, sin conseguir una referencia (aprobación por adelantado) de su (PCP)?

Usted puede obtener los siguientes servicios por su propia cuenta, sin una referencia (aprobación por adelantado) de su PCP. Usted debe obtener estos servicios de proveedores de la red de Mercy Care Advantage. Usted aún tiene qué pagar su parte del costo, como sea apropiado, por estos servicios.

- Atención de rutina para la salud de la mujer, la cual incluye exámenes de los senos, mamografías (rayos x de los senos), pruebas Papanicolaou, y exámenes pélvicos (algunas pruebas pueden requerir una orden de su PCP).
- Vacunas contra la influenza/gripa, vacunas contra la hepatitis B, y vacunas contra la neumonía, siempre y cuando usted las reciba de un proveedor de la red.
- Servicios de diálisis de los riñones que usted obtenga en una instalación de diálisis certificada por Medicare cuando esté temporalmente fuera del área de servicio del plan. (Si es posible, por favor llame a Servicios al Miembro antes de salir del área de servicio para que nosotros podamos ayudar a hacer arreglos para que usted reciba diálisis de mantenimiento mientras esté fuera.)
- Los miembros de Mercy Care Advantage pueden referirse a sí mismos a proveedores de la red de la salud del comportamiento de Mercy Care Advantage para una evaluación de servicios para la salud del comportamiento (tanto como pacientes internos como externos).
- Los miembros de Mercy Care Advantage no necesitan una referencia o autorización previa para recibir beneficios suplementarios cubiertos de proveedores de la red para los servicios dentales, del oído, o de la vista.

¿Qué pasa si usted tiene una emergencia médica?

Obtenga ayuda médica tan pronto como sea posible. Llame al 911 para pedir ayuda o vaya a la sala de emergencias, hospital o centro de atención urgente más cercanos. Usted no necesita obtener primero aprobación previa o una referencia de su PCP o de otro proveedor de la red. Usted puede obtener atención médica de emergencia cubierta siempre que la necesite, en cualquier lugar en los Estados Unidos. Los servicios de ambulancia están cubiertos en situaciones en las cuales otros tipos de transporte podrían poner su salud en peligro.

Obteniendo atención cuando viaje fuera del área de servicio de Mercy Care Advantage.

Si usted necesita atención cuando esté fuera del área de servicio de Mercy Care Advantage, su cobertura para el cuidado de la salud es limitada. Los únicos servicios que cubrimos cuando esté fuera del área de servicio son atención para una emergencia médica, incluyendo atención posterior a la estabilización, atención urgentemente necesaria, diálisis renal (del riñón), y atención que Mercy Care Advantage o un proveedor del plan hayan aprobado previamente. Si usted tiene preguntas sobre los servicios cubiertos cuando usted viaje, por favor llame a Servicios al Miembro al **602-586-1730** ó al **1-877-436-5288**, de 8:00 a.m. a 8:00 p.m, 7 días de la semana . Los usuarios de TTY deberían llamar al **711**.

¿Qué pasa si usted usa a proveedores fuera de la red para obtener servicios cubiertos?

Los "proveedores fuera de la red" no son parte de la red de proveedores de Mercy Care Advantage. Si usted usa a proveedores fuera de la red sin obtener la aprobación previa de su PCP o de Mercy Care Advantage, usted podría ser responsable por el costo total de los servicios. Usted debe usar a los proveedores de la red excepto en situaciones de emergencia o de atención urgente o para los servicios de diálisis renal u otros servicios fuera del área. Si usted obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Mercy Care Advantage serán responsables por los costos.

¿Qué debería hacer si recibe una factura de un proveedor fuera de la red que usted crea que debería ser pagada por Mercy Care Advantage?

Si usted tuvo que recibir servicios de un proveedor fuera de la red y recibe una factura por los servicios, no la pague. Envíe la factura al domicilio listado abajo para su procesamiento, e incluya una declaración explicando por qué tuvo usted qué recibir servicios de un proveedor fuera de la red.

Mercy Care Advantage
4750 44th Place, Suite 150
Phoenix, AZ 85040

Si la reclamación es pagadera, nosotros le pagaremos al proveedor y le notificaremos a usted sobre cualquier responsabilidad de costo compartido. Si usted ya pagó por los servicios, envíenos una copia de la factura y del comprobante de pago para su procesamiento. Si la reclamación es pagadera, se le reembolsará a usted nuestra parte del costo. Si nosotros denegamos la reclamación, se le notificará a usted por escrito y se le proveerán sus derechos de apelación. Si tiene preguntas sobre una factura que usted haya recibido, por favor llame a Servicios al Miembro para pedir ayuda.

Estándares de tiempo de espera para citas en atención primaria y salud conductual:

- Servicios de emergencia o urgencia: Deben estar disponibles de inmediato.
- Servicios que no son de emergencia, pero son médicamente necesarios: Deben programarse dentro de 7 días hábiles.
- Atención de rutina y preventiva: Debe programarse dentro de 30 días hábiles.
